Accounting convention

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going Concern Justification

The directors have assessed various factors and risks affecting the company and its ability in these difficult economic times to continue to trade as a going concern. The directors have not identified any material uncertainties or risks related to events or conditions that could affect the carrying values of the company's assets and liabilities as at the balance sheet date. Therefore the financial statements for the year ended 31 August 2019 have been prepared using the going concern basis of accounting.

Revenue

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
