Coltec Finance Company Limited

Directors' report for the year ended 31 December 2006

The directors present their report and the audited financial statements of the company for the year ended 31 December 2006

Principal activities

The company's principal activity during the year was the global management of cash for affiliates of the company, all of whom have the same ultimate parent undertaking, EnPro Industries, Inc. in the United States. The global management of cash includes a multilateral netting program, which was launched in December 2002, to simplify the settlement of inter-company transactions between affiliates of the company, and a European cross-border cash pooling program, which was launched in January 2003 to concentrate funds to provide better investment returns, to reduce the need for individual affiliates of the company to borrow from financial institutions, to increase visibility and to control cash reserves.

Review of business and future developments

It is expected that the netting program and the cash pooling program will continue to be the primary focus of the company in the foreseeable future.

Results

The company's profit for the financial year is £489,614 (2005: £288,872). There were no dividends paid or proposed during the year (2005: £nil).

Directors and their interests

The directors who held office during the whole of the year and at the date of this report are shown below:

Robert D. Rehley
William Dries
Wayne Byrne (resigned 20 July 2007)

Details of secretaries during the period are set out in note 5 to the financial statements.

As permitted by the Companies (Disclosure of Directors' Interests) (Exceptions) Regulations 1985, the company has not disclosed directors' interests in shares of the ultimate parent undertaking, EnPro Industries Inc., as the company is a wholly owned subsidiary of EnPro Industries Inc., a company which is incorporated outside Great Britain.

No director had an interest in the share capital of the company during the year.

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.

Coltec Finance Company Limited

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Audit information

The directors confirm that, so far as they are aware, there is no relevant information of which the auditors are unaware and that the directors have taken all reasonable steps to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.
