Coltec Finance Company Limited

Directors' report for the year ended 31 December 2011

The directors present their annual report and the audited financial statements for the year ended 31 December 2011. This report has been prepared in accordance with the small companies regime of the Companies Act 2006.

Principal activities

The company's principal activity during the year was the global management of cash for affiliates of the company, all of whom have the same ultimate parent undertaking, EnPro Industries, Inc. in the United States. The global management of cash includes a multilateral netting program, which was launched in December 2002, to simplify the settlement of inter-company transactions between affiliates of the company, and a European cross-border cash pooling program, which was launched in January 2003 to concentrate funds to provide better investment returns, to reduce the need for individual affiliates of the company to borrow from financial institutions, to increase visibility and to control cash reserves.

Review of business and future developments

It is expected that the netting program and the cash pooling program will continue to be the primary focus of the company in the foreseeable future.

Results

The company's profit for the financial year is £2,031,763 (2010: £1,843,274). The Company paid a dividend of £4,200,000 during the year (2010: £nil).

Directors

The directors of the company are as listed on page 1.

Key Performance Indicators

Given the relatively simple nature and structure of the business, the directors believe that analysis using financial and non-financial KPIs is not necessary for an understanding of the development, performance or position of the business.

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

Coltec Finance Company Limited

Directors' report for the year ended 31 December 2011 (continued)

Statement of directors' responsibilities (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to auditors

So far as each director is aware, there is no relevant audit information of which the company's auditors are unaware. Each director has taken the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Independent auditors

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution concerning their reappointment will be proposed at the Annual General Meeting.

As explained more fully in the Directors' Responsibilities Statement set out on pages 2 and 3 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities, and
- have been prepared in accordance with the Companies Act 2006.

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to prepare financial statements in accordance with the small company regime and take advantage of the small companies' exemption in preparing the Directors' Report.
