NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDING 31ST MARCH 2003

1 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

(a) Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention.

(b) Depreciation

Depreciation has been computed to write-off the cost of tangible fixed assets over their expected useful lives, using the following rates :-

Plant and Equipment	- 20% Written Down Value
Motor Van	- 25% Written Down Value

(c) Deferred Taxation

Deferred taxation is provided on the liability method to take account of timing differences between the differences of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in all material timing differences to the extent that it is considered that a net liability may crystallise.

Turnover

(d) The company's turnover represents the value of services supplied to customers during the year.
