- These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Approved by the Board on 23 June 2014

And signed on their behalf by:

A Colao, Director

Notes to the Abbreviated Accounts for the period ended 31 October 2013

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings 0.0%

Leasehold properties Straight line over the life of the lease

Plant and machinery 25.0% reducing balance

Computer equipment 33.3% straight line

Motor vehicles 25.0% reducing balance

Other accounting policies**Goodwill**

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 5 years.

Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Stock

Stock is valued at the lower of cost and net realisable value.
