In preparing these financial statements

- The director is of the opinion that the company is entitled to the exemption from audit conferred by Section 249A(1) of the Companies Act 1985,
- No notice has been deposited under Section 249B(2) of the Companies Act 1985, and
- The director acknowledges his responsibilities for
  - ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985, and
  - preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Section 226, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies

## Notes to the Abbreviated Accounts for the year ended 31 January 2007

### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

#### 1.2 Turnover

Turnover represents amounts receivable for services provided net of VAT

#### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

|                                  |                      |
|----------------------------------|----------------------|
| Furniture, fixtures and fittings | 15% Reducing balance |
| Computer equipment               | 33 33% Straight line |

#### 1.4 Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted
