Director's statement

In the director's opinion the company was entitled to exemption under subsection (1) of section 249A of the Companies Act 1985 for the year ended 31st March 2007.

No notice has been deposited under subsection (2) of section 249B of the Companies Act 1985 in relation to the company's accounts for the year ended 31st March 2007.

The director acknowledges his responsibilities for ensuring that the company keeps proper accounting records which comply with section 221 of the Companies Act 1985 and for preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226 of the Companies Act 1985 and which otherwise comply with the requirements of that Act relating to accounts, so far as applicable to the company.

The accounts are prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

Approved by the director on 17th December 2007

P E ROGERS - DIRECTOR

The annexed notes form part of these accounts

NOTE LIMITEDNOTES ON THE ABBREVIATED ACCOUNTS1. Accounting policies

1) The accounts have been prepared in accordance with the special provisions relating to small companies within Part VII of the Companies Act 1985 and with the Financial Reporting Standard for Smaller Entities (effective January 2005).

11) The accounts are prepared on the historical cost basis of accounting.

111) Depreciation is calculated at rates estimated to write off the cost of the assets over their useful lives.

The main rate generally in use is :

Equipment	-	25% per annum on a reducing balance basis
-----------	---	---

1v) Deferred tax is recognised in respect of all timing differences except permanent differences that have originated but not reversed by the balance sheet date.

Deferred tax is measured at the average tax rates expected to apply in the periods in which the timing differences are expected to reverse.

v) Stock is valued at the lower of first in, first out cost and net realisable value.

vi) Turnover represents amounts in respect of goods supplied and services rendered and excludes value added tax.
