**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 24 SEPTEMBER 2015**

The directors present their annual report with the audited financial statements of the company for the year ended 24 September 2015.

PRINCIPAL ACTIVITY

The principal activity in the year under review continued to be that of property investment. The directors do not anticipate this to change in the foreseeable future.

REVIEW OF BUSINESS

The results for the year are set out in the Profit and Loss Account on page 6. The directors consider the results for the year to be satisfactory and look forward to the coming year with confidence.

DIRECTORS

The directors shown below have held office during the whole of the period from 25 September 2014 to the date of this report.

A Gardner
M E Nuttall

Other changes in directors holding office are as follows:

E Hindle - appointed 15 June 2015

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITOR

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditor is unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

AUDITOR

The company has passed an elective resolution dispensing with the requirement to appoint an auditor annually. Deloitte LLP have expressed their willingness to continue in office as auditor of the company and are therefore deemed to be reappointed for a further term.

BROOKHOUSE (CHRISTCHURCH) LIMITED (REGISTERED NUMBER: 04828310)

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 24 SEPTEMBER 2015**

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

.....
P Chape - Secretary

Date: 11.3.2016

REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF BROOKHOUSE (CHRISTCHURCH) LIMITED

We have audited the financial statements of Brookhouse (Christchurch) Limited for the year ended 24 September 2015 on pages six to twelve. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Independent Auditor and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page two, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 24 September 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

**REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF
BROOKHOUSE (CHRISTCHURCH) LIMITED**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Directors.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 24 SEPTEMBER 2015**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with applicable United Kingdom law and accounting standards.

Cash flow statement

The company has taken advantage of the exemption from presenting a cash flow statement afforded by Financial Reporting Standard No. 1 (Revised) because it is a wholly owned subsidiary of the group of companies owned by Brookhouse Properties Limited, a UK based company which prepares consolidated financial statements which are publically available.

Turnover

Turnover comprises rental income from properties excluding VAT.

Rental income from properties is recognised in the period to which it relates in accordance with the lease terms. Rent invoiced in advance is recognised in the profit and loss account in the following accounting period and treated as deferred income at the year end. All income is generated from the company's principal activity in the UK.

Service charge residual costs (arising from voids or inclusive rental agreements) which are not recovered from tenants are included within other operating expenses.

Investment property

A valuation of investment properties is made annually as at the balance sheet date by an external firm of Chartered Surveyors at open market value. Changes in the market value of such assets are accounted for by way of a movement in revaluation reserve and are included in the statement of total recognised gains and losses unless a deficit (or its reversal) on an individual property is expected by the directors to be permanent, in which case the change in market value is charged/(credited) to the profit and loss account. On disposal, the cumulative surpluses or deficits are transferred from the revaluation reserve to the profit and loss account.

Depreciation is not provided in respect of freehold investment properties, or in respect of leasehold investment properties where the unexpired term of the lease is more than 20 years. The requirement of the Companies Act 2006 is to depreciate all properties, but that requirement conflicts with the generally accepted accounting principle set out in SSAP 19. The directors consider that this accounting policy, which represents a departure from the statutory accounting rules, is necessary to provide a true and fair view as required under SSAP 19 "Accounting for Investment Properties". The financial effect of the departure from the statutory accounting rules cannot reasonably be quantified because of the lack of analysis of the cost and value between land and buildings.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 24 SEPTEMBER 2015**

1. ACCOUNTING POLICIES - continued

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is not recognised when fixed assets are revalued unless by the balance sheet date there is a binding agreement to sell the revalued assets and the gain or loss expected to arise on sale has been recognised in the financial statements. Neither is deferred tax recognised when fixed assets are sold and it is more likely than not that the taxable gain will be rolled over, being charged to tax only if and when the replacement asset is sold.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Related party transactions

The company has taken advantage of the exemption in Financial Reporting Standard No. 8 "Related party disclosures" not to disclose transactions with other wholly owned members of the group headed by Brookhouse Properties Limited.

Going concern

The company is a subsidiary within the Brookhouse Properties Limited group, which manages its working capital on a pooled basis across the group. Based on the strong relationship between this company and the parent company, the directors of this company have sought and received a confirmation from their parent company that it will provide support as may be necessary such that the directors have a reasonable expectation that the company has adequate resources to operate as a going concern for the foreseeable future. In relying on this parent company support, the directors of this company are cognisant of the following going concern disclosure which appears in the financial statements of Brookhouse Properties Limited for the year ended 24 September 2015:

"The financial statements have been prepared on a going concern basis. The Group's business activities, together with the factors likely to affect its future development, performance and position are set out in the Business Review. The financial position of the Group, its cash flows, liquidity position and borrowing facilities are described in the Strategic Report. The Group has granted a number of leasehold interests in its assets that span the year-end and periods thereafter that are subject to upwards only rent reviews on a periodic basis. Within one year of the balance sheet date the Group has external bank facilities totalling £55.0 million that was due for repayment in February 2016. At the time of signing these financial statements this facility has been re-financed on similar terms for a period of 5 years. Consequently, after considering the income flows available to the Group together with the underlying strength of those income flows, the Directors have the reasonable expectation that the Group has adequate resources to continue to operate as a going concern for the foreseeable future. This position is constantly monitored by the Directors and accordingly the financial statements have been prepared on a going concern basis."

After making these enquiries, the directors continue to adopt the going concern basis of accounting in preparing these financial statements.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 24 SEPTEMBER 2015**

1. ACCOUNTING POLICIES - continued

Profit on sale of tangible fixed assets

Sales of tangible fixed assets are accounted for in the period in which contracts are completed. The profit/(loss) on sale of tangible fixed assets represents sales proceeds less disposal costs and the carrying value of the asset at the time of disposal. The latter in the case of revalued assets represents the revalued amount.

2. OPERATING LOSS

There was no depreciation, directors' emoluments, staff costs or non-audit fees during the current or prior period. The auditor's remuneration of £2,360 (2014: £2,336) in respect of the statutory audit of the company for the current and prior year is borne by another group company, Brookhouse Builders Limited, and not recharged.

No director received any remuneration for their services to the company (2014: £nil). The directors of the company were remunerated through another group company. No costs are recharged to the company as it is not practicable to fairly apportion the cost of these services.

3. TAXATION

Analysis of the tax (credit)/charge

The tax (credit)/charge on the loss on ordinary activities for the year was as follows:

	2015 £'000	2014 £'000
Deferred tax	(8)	4
Tax on loss on ordinary activities	(8)	4

The company earns its profits in the UK therefore the tax rate used for tax on ordinary activities is the standard rate for corporation tax (pro-rated) of 20.5% (2014: 22%).

4. INVESTMENT PROPERTY

	Total £'000

At 24 September 2015	7,721
NET BOOK VALUE	
At 24 September 2015	7,721
At 24 September 2014	7,151

Investment properties were revalued at 24 September 2015 by Axis Property Consultancy LLP, Chartered Surveyors, at open market value. The historical cost of the properties is £16,054,000 (2014: £15,484,000).

5. DEBTORS: AMOUNTS FALLING DUE WITHIN ONE YEAR

6. CREDITORS: AMOUNTS FALLING DUE WITHIN ONE YEAR

	2015	2014
	£'000	£'000
Trade creditors	46	79
Amounts owed to group undertakings	8,199	7,232
Other creditors	4	12
	<u>8,249</u>	<u>7,323</u>

Amounts due to group undertakings are unsecured, interest free and repayable on demand.

7. PROVISIONS FOR LIABILITIES

	2015	2014
	£'000	£'000
Deferred tax	<u>225</u>	<u>233</u>
		Deferred tax
		£'000
Balance at 25 September 2014		233
Credit to Profit and Loss Account during year		(8)
Balance at 24 September 2015		<u>225</u>

The deferred tax balance relates entirely to accelerated capital allowances. A deferred tax asset relating to the revaluation of tangible assets of £1.67 million (2014: £1.75 million) has not been recognised since the directors do not expect this to crystallise in the foreseeable future.

Deferred tax balances have been valued at 20% in these accounts. The government has announced that it intends to reduce the rate of corporation tax to 19% with effect from 1 April 2017 and 18% from 1 April 2020. As this legislation was not substantively enacted by 24 September 2015, the impact of the anticipated rate change is not reflected in the tax provisions reported in these accounts. If the deferred tax assets and liabilities of the company were all to reverse after 1 April 2020, the effect of the future changes from 20% to 18% would be to reduce the net deferred tax liability by £22,000. To the extent that the deferred tax reverses more quickly than this the impact on the net deferred tax liability will be reduced.

8. CALLED UP SHARE CAPITAL

Allotted, issued and fully paid:			2015	2014

			<u>2,906</u>	<u>2,906</u>

The non-redeemable preference shares carry no voting rights or dividend entitlements and have priority on a winding up over the ordinary shares.

Deficit for the year	(349)	-	(349)
At 24 September 2015	<u>4,727</u>	<u>(8,334)</u>	<u>(3,607)</u>

The directors are of the opinion that the negative revaluation reserve is temporary due to current market conditions within the property sector and therefore expect this position to reverse in future periods.

10. ULTIMATE PARENT COMPANY

The company's immediate parent company is Brookhouse Property Holdings Limited, a company incorporated in the UK. The company's ultimate parent company is Aggregate Company S.a.r.l., a company incorporated in Luxembourg. The ultimate controlling party of that company is the Aggregate Trust.

The smallest and largest group in which the results of the company are consolidated is that headed by Brookhouse Properties Limited incorporated in the UK. Copies of the financial statements are available from the registered office.
