INNOVATIVE GAS PRODUCTS LIMITED

Notes to the Abbreviated Accounts for the Period Ended 31st July 2013

1. Accounting policies

Basis of measurement and preparation of accounts

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

Turnover policy

The turnover shown in the profit and loss account represents revenue recognised by the company in respect of goods and services supplied during the period, exclusive of Value Added Tax and trade discounts.

Tangible fixed assets depreciation policy

Depreciation is provided, after taking account of any grant receivable, at the following annual rates in order to write off each asset over its estimated useful life. Fixtures & Fittings – 25% on cost, Office Equipment - 25% on cost, Plant & Equipment – 25% on cost and Motor Vans – 25% on Cost.

Intangible fixed assets amortisation policy

Intangible fixed assets (including purchased goodwill and patents) are amortised at rates to calculate to write off the assets on a straight basis over their estimated useful economic lives, not to exceed twenty years. Impairment of intangible assets is only reviewed where circumstances indicate that the carrying value of an asset may not be fully recoverable. Intangible fixed assets (including purchased goodwill and patents) are amortised at rates to calculate to write off the assets on a straight basis over their estimated useful economic lives, not to exceed twenty years. Impairment of intangible assets is only reviewed where circumstances indicate that the carrying value of an asset may not be fully recoverable.

Valuation information and policy

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Other accounting policies

Assets obtained under hire purchase contracts of finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their useful lives. Those held under finance leases are depreciated over their useful lives or the lease term, whichever is the shorter. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of these future payments is treated as a liability. Rentals paid under operating leases are charged to the profit and loss account on a straight-line basis over the period of the lease. Research and Development Expenditure on research and development is written off the in the year in which it is incurred.
