For the year ending 31 December 2017 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;

- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In accordance with section 444 of the Companies Act 2006, the statement of comprehensive income has not been delivered.

These financial statements were approved by the board of directors and authorised for issue on 13 September 2018 , and are signed on behalf of the board by:

Mr C Arscott

Director

Company registration number: 04991821

BREEZE PROPERTIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2017

1. General information

The company is a private company limited by shares, registered in England. The address of the registered office is 15 Ramage Close, Plymouth, Devon, PL6 8SQ.

Principal activity

The principal activity of the company is that of property letting.

2. Statement of compliance

These financial statements have been prepared in compliance with the provisions of FRS 102, Section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome.

Turnover

Turnover represents the total rents receivable during the year.

Taxation

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively. Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal

of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Tangible assets

tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess shall be recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fittings fixtures and equipment	-	20 % straight line

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

Investment property

Investment property is measured initially at cost, which includes purchase price and any directly attributable expenditure.Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in profit or loss.

Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Provisions

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event; it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense. Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised in finance costs in profit or loss in the period it arises.

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

4. Employee numbers

The average number of persons employed by the company during the year, including the directors, amounted to Nil (2016: Nil).

5. Tangible assets

	Freehold property	Fixtures, fittings and equipment	**Total**
	£	£	**£**
Cost			
At 1 January 2017 and 31 December 2017	500,154	19,742	519,896
Depreciation			
At 1 January 2017	-	17,022	17,022
Charge for the year	-	1,126	1,126
At 31 December 2017	-	18,148	18,148
Carrying amount			
At 31 December 2017	500,154	1,594	501,748
At 31 December 2016	500,154	2,720	502,874

Investment property

The investment properties are shown at cost. The directors believe that the value of the properties have not materially changed.

6. Debtors

	2017	2016
	£	£
Trade debtors	700	3,800
Other debtors	62	290
	762	4,090

7. Creditors: amounts falling due within one year

	2017	2016
	£	£
Social security and other taxes	2,186	2,979
Other creditors	101,174	102,533
	103,360	105,512

8. Creditors: amounts falling due after more than one year

	2017	2016
	£	£
Bank loans and overdrafts	344,370	346,595
Other creditors	24,772	32,730
	369,142	379,325

The bank loans are secured by fixed charges on the investment properties and floating charges over other assets of the company.

9. Reserves

Profit and loss account:This reserve records retained earnings and accumulated losses.

10. Directors advances, credits and guarantees

During the year the directors entered into the following advances and credits with the company:
