**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 28 FEBRUARY 2016**

1. ACCOUNTING POLICIES**Accounting convention**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

Turnover comprises net proceeds from sales of residential properties and rental income receivable.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 20% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Investment properties

Investment property is shown at current open market value. Any aggregate surplus or deficit arising from changes in market value is transferred to a revaluation reserve.

In accordance with the Financial Reporting Standard for Smaller Entities, no depreciation is provided in respect of freehold or long leasehold investment properties. This is a departure from the Companies Act 2006, which requires all properties to be depreciated. Such properties are not held for consumption, but for investment, and the director consider that to depreciate them would not give a true and fair view. The director consider that this policy results in the accounts giving a true and fair view.
