Notes to the abbreviated financial statements for the year ended 30 June 2010

1. Accounting policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention and comply with financial reporting standards of the Accounting Standards Board

The company has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small company

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year

1.3. Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 10 years

1.4. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Leasehold properties	-	Straight line over the life of the lease
Fixtures, fittings and equipment	-	25% p a on straight line basis

1.5. Stock

Stock is valued at the lower of cost and net realisable value

1.6. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

1.7. Going concern

The company meets its day to day working capital requirements through continued support of its shareholders for the foreseeable future, and at least 12 months from the date of signing of these financial statements. On this basis the director considers that it is appropriate to prepare the financial statements on the going concern basis
