The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2021.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2021 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The notes form part of these financial statements

Balance Sheet - continued
31 March 2021

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Profit and Loss Account has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 30 June 2021 and were signed on its behalf by:

M H McArdle - Director

**Notes to the Financial Statements
for the Year Ended 31 March 2021**

1. STATUTORY INFORMATION

HMC Group Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

There were no material departures from that standard.

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Going Concern

The directors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The directors make this assessment in respect of a period of at least one year from the date the financial statements are approved.

At the date of approval, the country and indeed the rest of the world is in the midst of dealing with the Covid-19 pandemic. The company has taken steps to deal with the financial impact of this. Whilst there is uncertainty around the length of time the Covid-19 pandemic will last and the full impact on the global economy, the directors believe that it is appropriate to continue to adopt the going concern basis of accounting in preparing the financial statements due to the levels of reserves and potential financial support available.

The financial statements are prepared on the going concern basis which assumes that the company will continue to trade. If the company is unable to continue to trade, adjustments would be required to reduce the value of assets to their recoverable amounts, to provide for any further liabilities that might arise and to analyse long term liabilities as current liabilities.

Preparation of consolidated financial statements

The financial statements contain information about HMC Group Ltd as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 399(2A) of the Companies Act 2006 from the requirements to prepare consolidated financial statements.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Development costs are being amortised evenly over their estimated useful life of two years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 4% - 33% on cost
Motor vehicles	- 33% on cost

Tangible fixed assets are measured at cost less accumulated depreciation and impairment.

Investment property

Investment property is shown at fair value. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss.

**Notes to the Financial Statements - continued
for the Year Ended 31 March 2021**

2. ACCOUNTING POLICIES - continued**Financial instruments**

Basic financial instruments are recognised at amortised cost with changes recognised in profit or loss.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Fixed asset investments

Shares in group undertakings are revalued to show the value of the underlying net assets where, in the opinion of the directors, such treatment is necessary in order to give a true and fair view, otherwise they are shown at cost. Changes in fair value are recognised in other comprehensive income.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 2 (2020 - 3) .

4. INTANGIBLE FIXED ASSETS

	Development costs £
COST
