Notes to the Abbreviated Accounts
for the Year Ended 31 March 2014

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company was dormant throughout the current year and previous year.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Going concern

The balance sheet shows an insolvent position of £140 (2013-£140)

The company was formed for the sole purpose of owning the freehold reversion title and to be the Head Lessee of 16 Ashburton Road, Southsea, Hampshire.

In order to acquire the freehold interest the members contributed £19,000. This amount is included within creditors falling due after one year. In the short term, the sole repayment mechanism would be the sale of the asset by the company. As such, the reality is that the loans are unlikely ever to be repaid. In the longer term, a repayment could be made following an extension of the lease terms and thus charging a lease premium.

The going concern basis of accounting is therefore considered appropriate by the directors.
