**Independent auditors' report to Kent Periscopes Limited
under Section 449 of the Companies Act 2006**

We have examined the abbreviated accounts set out on pages 2 to 5 together with the financial statements of Kent Periscopes Limited for the year ended 31 May 2012 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and the auditors

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 "The special auditor's report on abbreviated accounts in the United Kingdom" issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with those provisions.

The notes on pages 3 to 5 form an integral part of these financial statements.

Kent Periscopes Limited

Notes to the abbreviated financial statements for the year ended 31 May 2012

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities

1.3. Patents

Patents are valued at cost less accumulated amortisation

Amortisation is calculated to write off the cost in equal annual instalments over their estimated useful life of 3 years

1.4. Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred
Development expenditure is written off in the same year unless the directors are satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred and amortised over the period from which the company is expected to benefit

1.5. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Leasehold properties	-	Straight line over the life of the lease
Fixtures, fittings and equipment	-	25% reducing balance

1.6. Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term

1.7. Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value

1.8. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date
