1 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year and have also been consistently applied within the same accounts

a) Basis of preparation of the financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards

b) Depreciation

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates

Fixtures and fittings - 25% per annum

c) Stocks and work in progress

Stocks and work in progress are stated at the lower of cost and net realisable value. Cost includes all direct costs incurred in bringing the stocks to their present location and condition, including where appropriate, a proportion of manufacturing overheads

d) Deferred taxation

Deferred taxation is provided at the anticipated tax rates on the timing differences arising from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements to the extent that a liability or asset is expected to crystallise in the future

e) Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and are depreciated over their useful lives

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease
