Notes to the financial statements
For the year ended 31 December 2016

1. General information

The National Logistics Academy Ltd is a private company limited by shares and incorporated in England and Wales. The address of the Middleton, Manchester, M24 1RU. The company's registered number is 05482921.

The nature of the company's operation and its principal activity is the provision of logistics training and development.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting pc Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and

The following principal accounting policies have been applied:

2.2 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales tax also be met before revenue is recognised:

Rendering of services

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stag when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the company will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably; and
- the costs incurred and the costs to complete the contract can be measured reliably.

2.3 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, nc measured subsequently at amortised cost using the effective interest method, less any impairment.

2.4 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hou liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amc risk of change in value.

2.5 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair and are measured subsequently at amortised cost using the effective interest method.

2. Accounting policies (continued)

2.6 Finance costs

Finance costs are charged to the Statement of comprehensive income over the term of the debt using the effective interest method so t constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrumen

2.7 Taxation

Tax is recognised in the Statement of comprehensive income, except that a charge attributable to an item of income and expense reco income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the bal where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Balance sheet date, e

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when def differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fa and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantivel date.
