BECK CONSTRUCTION LIMITED

INDEPENDENT AUDITORS' REPORT TO BECK CONSTRUCTION LIMITED UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts set out on pages 2 to 4, together with the financial statements of Beck Construction Limited for the year ended 31 March 2012 prepared under section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Chapter 10 of Part 15 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of the director and auditors

The director is responsible for preparing the abbreviated accounts in accordance with section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

19/12/12

J H Wilkinson
Director

Company Registration No 05521950

BECK CONSTRUCTION LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

In preparing the financial statements the director has been continually mindful of a number of factors, including the current economic climate and the availability of continued funding for the business. The company continues to be dependent on its parent company being able to meet its debts as and when they fall due. The director recognises that even with payment in full from the parent company it will remain insolvent.

The company's scale of activity is linked to the strategy currently deployed by the parent company's director, which strategy was in response to the adverse economic conditions over the last two years in residential property development. The director is confident that the company will make operating profits in the foreseeable future as and when the parent company requires construction services for the development of its sites. He also believes that the company will, with the working capital facilities made available to its parent company, continue to meet its debts as and when they fall due. Accordingly, the director believes that the financial statements should continue to be prepared on a going concern basis.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery	20% - 33% straight line
Office equipment	25% straight line
Motor vehicles	25% straight line

1.4 Deferred taxation

Full provision is made for deferred tax arising from timing differences existing at the balance sheet date where there exists an obligation to pay more, or right to pay less tax, with the following exceptions:

- Provision is made for tax on gains arising from revaluation of fixed assets, or gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.

- Deferred tax assets are recognised only to the extent that the director considers that it is more likely than not that there will be sufficient taxable profits from which the future reversal of the underlying timing difference can be deducted.

Deferred tax balances are not discounted and are calculated at the tax rates that are expected to apply in the periods in which the timing differences are expected to reverse.

BECK CONSTRUCTION LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2012
