Notes to the abbreviated financial statements for the year ended 31 March 2012

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and comply with financial reporting standards of the Accounting Standards Board

The company has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small company

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year

1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Plant and machinery	-	25% per annum on written down value
Fixtures, fittings and equipment	-	25% per annum on written down value
Motor vehicles	-	25% per annum on written down value

1.4. Deferred taxation

Deferred tax is provided in full on all material timing differences that have originated but not reversed at the balance sheet date. A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax assets and liabilities are not discounted
