The directors consider that the company is entitled to exemption from the requirement to have an audit under the provisions of section 477 of the Companies Act 2006 ("the Act") and members have not required the company to obtain an audit for the year in question in accordance with section 476 of the Act

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and for preparing financial statements which give a true and fair view of the state of affairs of the company as at 30 September 2012 and of its profit for the year in accordance with the requirements of sections 394 and 395 of the Act and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company

ABBREVIATED BALANCE SHEET (continued)
AS AT 30 SEPTEMBER 2012

The abbreviated accounts, which have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006, were approved and authorised for issue by the board and were signed on its behalf on 12 April 2013

Mr Ian Saunders
Director

The notes on pages 4 to 7 form part of these financial statements

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 SEPTEMBER 2012

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Cash flow

The financial statements do not include a Cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax
Revenue is recognised when services are supplied or goods are despatched Where a contract has been partially completed at the balance sheet date turnover represents the value of the service provided to date based on a proportion of the total expected consideration at completion

1.4 Intangible fixed assets and amortisation

Goodwill is the amount paid on the acquisition of a business on 1 October 2006 It is amortised to the Profit and loss account over its estimated economic life of 20 years

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases

Plant & machinery	-	25% reducing balance
Motor vehicles	-	25% reducing balance
Office equipment and fixtures and fittings	-	25% reducing balance
Leasehold property improvements	-	Straight line over term of lease

1.6 Leasing and hire purchase

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives Assets acquired by hire purchase are depreciated over their useful lives Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company Obligations under such agreements are included in creditors net of the finance charge allocated to future periods The finance element of the rental payment is charged to the Profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period

1. ACCOUNTING POLICIES (continued)

1.7 Operating leases

Rentals under operating leases are charged to the Profit and loss account on a straight line basis over the lease term

1.8 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks

1.9 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse

Deferred tax assets and liabilities are not discounted

1.10 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year
