Citygate Church
Report of the Trustees
Year ended 31 December 2022

The trustees, who are also directors for the purposes of company law, have pleasure in presenting their Report and Financial Statements of the Charity for the year ended 31 December 2022.

The trustees named on page 2 served throughout the year.

Objectives and Activities

Principal Aims & Objectives

The main objectives of Citygate Church are to advance the Christian faith, to proclaim and further the gospel of God the Father, the Son and the Holy Spirit and to preach and teach the Christian faith.

To relieve sickness, poverty and distress to persons in need by virtue of age or social or economic circumstances.

To advance the education whether of children or of adults.

To further such other charitable purposes as the trustees from time to time in their absolute discretion determine.

Principal Activities

In order to achieve its objectives, Citygate Church works through the following core activities:

1. Sunday meetings – Citygate Church meets on Sunday mornings for worship and preaching of the gospel message.
2. Teaching and Training
 - a. Alpha – a series of seminars and discussion groups for Christians and non-Christians alike, used to help people from all backgrounds to explore Christianity.
 - b. “Rooted” course – a course for those seeking to become members of Citygate Church. The course enables anyone to explore the vision of Citygate Church.
 - c. A number of other courses are run throughout the year including Baptism courses, Marriage Preparation courses, Leadership and equipping courses as well as encouraging and supporting many courses and conferences run by Commission, the group of churches we are involved with.
3. Youth and children’s work, students to twenties
 - a. Citygate has a wide range of activity groups for children. Our Sunday activities include four age-appropriate groups for children which aim to teach the authentic Christian message through fun and engaging activities. There are also two youth groups for ages 11-18 who meet midweek and on Sundays. These groups are fun, thriving communities where young people grow and develop in their faith.
 - b. Students - Citygate students reach out to those in higher education, at BU and AUCB. We are regularly engaging with around 50 students per week providing teaching, prayer and community.

4. Mission Work

a. Worldwide

- India Mission Support – a project run by Steve and Beth Deveraj in Tamil Nadu, India, involving the establishment of a school in a rural district of India as well as leading a local church. The Deveraj family will be returning to the UK in 2023 and it is likely that our funding to the project will terminate at the same time.
- Beirut Mission Support – supporting Dave and Karen Priest in Beirut, as part of a team to bring the gospel message to this area. Dave and Karen Priest returned to the UK at the end of 2022. Our funding to this project will not continue into 2023.
- Bursary Fund – Citygate is committed to mission. A fund has been set up to contribute towards mission trips abroad for Citygate members looking to gain mission experience in different cultures.
- Commission Apostolic Trust Ltd – Citygate is committed to supporting Commission in its vision to plant churches, training leaders, reach the nations with the gospel and support the poor. Citygate give regularly to the work of Commission nationally and internationally.

b. Local Mission Work

- Little Acorns – a weekly toddlers group gathering up to 15 adults and a further 20 children. This work has been a regular part of Citygate for many years and continues to be one of our most regularly attended groups
- Truth be Told - a weekly intergenerational storytelling group which seeks to build community among the youngest and oldest in our communities.
- Life Groups - We run a number of Life groups which meet in each other's homes. These groups are essential to the life of Citygate Church as we seek to live life together and build genuine relationships. These groups are for those already a part of the church and for those looking in. These groups meet together regularly during the week and to outreach within their localities.
- DNA groups - We facilitate opportunities for people to meet in groups of 3-4 during the week to study the bible and build each other's faith. We have made these groups possible through accessible content on our website.
- Citygate Community Hub - The Citygate Community Hub is a partnership between Citygate Church and a number of agencies including Bournemouth Foodbank, providing emergency food and support to local people in crisis.

5. Pastoral Care

- We have a pastoral team who look to care for those in need of support, whether they are going through tough situations in work life or home life, or whether they are looking to grow in their faith through discipleship.

Achievements and performance

Overview

In 2022 Russell White, Lead Elder of Citygate Church, with the support of the leadership team and staff, brought our focus on the Kingdom of God; looking at how we as disciples can be a blessing to our communities and workplaces.

Our Community Hub continues to offer vital support to people in need. In 2022 we were able to offer 2819 Food Bank parcels and provided 255 caseworkers appointments. Our Hub team is able to come alongside those in need over a period of time and help access support from relevant agencies. The Hub is open 5 days a week providing relief, restoration and reform to those in need.

We gather every Sunday across our two sites (Bournemouth and Southbourne) as a church community to worship, pray and hear teaching from the Bible. We continue to stream our church meetings from our Bournemouth site.

Our venue income at the Citygate Centre decreased significantly through the pandemic. Through 2022 we started to see our venue income slowly increase.

By the end of 2022 we saw around 100 new members added, 6 people baptized, 87 people completed our Alpha courses, 804 people received our welcome bags giving them an opportunity to be a part of the church community, and 19 people became Christians.

Although numerical growth is important, we are more concerned with personal lives being changed by the gospel and we are therefore thrilled with the many testimonies of people who have been affected in this way throughout the year.

Review of the year's activities

Each of the areas of activities of Citygate Church along with the development of the Citygate Centre are outlined below with significant achievements for 2022 noted.

1. Sunday meetings

One of Citygate Church's key activities are our Sunday meetings where our focus is to worship and encounter God, preach from the Bible and offer prayer for those in need or those wanting to grow in their faith. It is also an opportunity to welcome new people from all walks of life and help each person to find their place in Citygate Church. When the pandemic hit in March 2020, we moved our Sunday meetings online as well as all the ways to connect with our existing congregation and guests.

We continued to stream our meetings every week through 2022 and have seen consistent viewers and people finding Citygate through our YouTube channel.

Our average attendance across both sites in 2022 was 437 per week.

In 2022 we continued to prioritise helping people to commit to life groups in which they can find friendship on a deeper level than is possible at our larger Sunday meetings.

2. Teaching and training

Our Alpha Courses were well attended in the year. We also had 113 people attend our Rooted course which helps people get established in building community and released into mission.

3. Youth and children's work, students and twenties

Our children and youth work has continued to develop. We continued to provide engaging content for our children through our Sunday gatherings across sites. Our Hero Party in October was a great success with around 420 children and their families attending.

Our Youth team saw a significant increase in engagement in 2022. The team are gathering around 50 youth every week on Friday nights and have also started life groups for our older youth on Sunday nights. Our team also took 49 youth to the Newday event in 2022 for times of worship, teaching and building community.

4. Mission Work

Worldwide

The projects in Tamil Nadu in India are continuing to serve the local community, with two churches now established, a school serving over 600 pupils, as well as an agricultural initiative. There is also a children's home to care for orphans and vulnerable children. Our support will come to an end in 2023 as the Deveraj family settle back in the UK but the project which is supported by a number of charities will continue.

We continued to support Dave and Karen Priest and the team in the Middle East as they transitioned back to the UK for a season. Our support will finish at the end of 2022 and we will review future funding to the project if Dave and Karen return.

We were able to support Ukraine Christian Mission with funds raised from our Gift weeks to support churches that are supporting those in need.

Our support to Commission Apostolic Trust, both in time and monetary resources, is helping to support churches being started, leaders being trained and equipped, and communities being transformed by the Christian message both nationally and internationally. We also provide free office space to Commission throughout the year.

We continued to offer opportunities for overseas mission through our Bursary Fund. This fund is available to church members who choose to join a volunteer team for mission trips overseas. Citygate Church looks to provide a contribution towards mission costs.

Local

Our established local ministries and projects such as Little Acorns continue to support and serve the local community. Our community ministries also serve different spheres of our society and they have continued to gather momentum in 2022. We also have a number of local missional partners who we support in a number of ways who enable us to fulfil our mission.

Ministries

- **Mighty Oaks** - A coffee morning for the over 60s, providing friendship and support on a weekly basis.
- **Treasure** - Treasure is a support group for women coming out of abusive, controlling relationships.
- **Transform** - A support and bible study group for those in recovery from addiction.
- **Student ministry** - Supporting students through teaching, building community and discipleship every Tuesday night during term time.

Missional Partners

- **Bournemouth Foodbank** - Providing emergency food and support to local people in crisis.
- **Safe Families** - Offering hope, belonging and support to children, families and care givers, in partnership with local churches.
- **PACE** - Helping everyone in schools explore the Christian faith through assemblies, lessons and lunchtime clubs.
- **Teen Challenge Dorset** - Helping young people who have developed life controlling problems, especially drug and alcohol addiction.
- **Christmas Hamper Appeal** - Each year, delivering over 200 hampers to families in crisis over the Christmas period.
- **Bournemouth Town Pastors** - Showing the love of Jesus, in practical and non-judgmental ways, by providing items to help those in need on nights out in Bournemouth town Centre.
- **A21** - An anti-human trafficking charity promoting awareness and support for victims of human trafficking.

These groups are making a tangible difference in people's lives, and we are seeing a number of those attending.

The Citygate Centre

The Citygate Centre is being significantly utilized by Citygate Church ministries as well as the wider community.

Citygate Events Ltd, Citygate Church's trading arm, having started trading in 2014, continued in its activity throughout 2022. We have managed to keep good relationships with existing clients and continue to attract a diverse range of clients for hiring the venue, from community enterprises to corporate businesses as well as Citygate and Commission Network ministries

Citygate Church
Report of the Trustees
Year ended 31 December 2022

Citygate Events Ltd had turnover of £55k (2021: £20k) for the year. We took the decision to continue to gift Commission the use of some office space. This income has allowed us to significantly subsidize the centre running costs and we look to grow our turnover in subsequent years.

Communications and resources

Throughout 2022 we continued to develop our website. Our website traffic has significantly increased over the last few years and is often a person's first interaction with Citygate church as well as our main way of finding out and signing up to Citygate events that are run.

In 2022 we continued to invest significantly in our social media activity. Natalie King has formulated and implemented a strategy for engaging our Citygate family and guests on Instagram and Facebook and we are seeing high levels of engagement. We were able to take on two volunteer Communications Interns who supported Nat King in her role as communications manager. We also send regular updates on Citygate activities through our weekly e-bulletin.

Incoming resources

Total incoming resources for the year were £714k (2021: £1.46M). This income is made up of donations, event ticket income, rental income and gifted profits from Citygate Events Ltd. In 2021 the Southbourne Evangelical Church building was transferred to the Citygate Charity.

Undesignated donations are mainly received from Citygate Church members and those who would call Citygate their church. These gifts amounted to £534k (2021: £484k). Gifted profits from Citygate Events Ltd amounted to £48k (2021: £18k).

The trustees set out some funding objectives for the gift week in 2022. Funds raised during the gift week were to fund major projects such as the development of the Southbourne site, investing in a cafe at our Bournemouth site, and supporting local and global missions. From gift weeks we raised donations of £68k (2021: £98k).

Future objectives

2022 was a year in which we returned from the pandemic. As a church we saw unprecedented growth in attendance on our Sundays and midweek events.

In 2023 our vision will continue to be 'seeing lives transformed, every day, across the bay' but our focus for 2023 will be on building on our infrastructure to sustain growth. Our Southbourne site is almost at capacity and so we will be exploring new premises options which will better suit our needs as a site and provide an opportunity for future growth. Our Bournemouth site is also almost at capacity for our one morning meeting. In 2023 we will plan to create a second morning meeting in order to sustain our growth and provide opportunities for future growth.

Citygate Church is now a multisite church and we believe that more sites will be added over the years in order to see lives transformed across the bay. We will continue to welcome visitors from all walks of life whether through our community outreach or during our Sunday services and integrate them into Citygate church, helping them to find their place to belong.

**Citygate Church
Report of the Trustees
Year ended 31 December 2022**

Our Alpha courses will continue to be key activities in helping people to explore Christianity and grow in their faith.

Finally, continuing to build a strong administrative base is key in order to facilitate growth in all the above pursuits and demonstrate sustainable good practice as a UK charity.

Grant making policy

Grants are made to organisations or individuals that we have long standing relationship with.

We continue to support Steve and Beth Deveraj, members of Citygate Church who moved to Tamil Nadu in India to start a school and church. We have had a long-standing relationship with the family and look to support them coming back to England every 3 or 4 years for respite. We are in communication a number of times during the year, receiving reports on the development of both projects.

We have continued to financially support Dave and Karen Priest in Beirut as part of a mission team reaching into this area.

We have continued to support our missional partners: The PACE Trust; Teen Challenge Dorset; Safe Families; Bournemouth Town Pastors, A21.

We regularly give to Commission Apostolic Trust Ltd which is a network of churches who support each other and apostolically oversee Citygate Church. In 2017 we took the decision to offer the office space that Commission occupy in the Citygate Centre for free. The market value of the fully serviced space is approximately £30,000.

Reserves Policy

The trustees review the charity's reserves regularly in the light of Charity Commission guidance. The trustees believe that the charity should hold free reserves of between three and six months of regular church giving income, as it is believed that this will provide sufficient funds to respond to any shortfalls in donations and event income and would cover all costs in unforeseen circumstances.

The charity's current reserves position is as follows:

- The total funds held by the charity at 31 December 2022 are £2,846k (2021: £2,871k).
- There is £64k (2021: £59k) for restricted funds. Restricted funds arise where gifts are received for specific purposes as outlined by the giver. Expenditure is distributed in line with these requirements. In 2022 Citygate Church received donations and other income to the value of £27k for restricted purpose. The apportionment of the funding is specified in note 15 of the accounts.
- £852k (2021: £885) has been designated by the trustees at 31 December 2022. The balance designated at 31 December 2022 is the freehold property of the charity as well as the amount that the trustees feel should be set aside in case of emergency works required to be carried out on the building.

Within the unrestricted funds there is £1,555,365 which could only be realised by selling the fixed assets held by the charity.

The total free reserves held by the charity at the year-end are £374,635 (2021: £202,693). This amount is above the policy set by the trustees as three to six months of regular church income (£180k and £360k). In 2023 the charity is embarking on a building purchase for our Southbourne site. Some of these reserves will be used on this project and bring our free reserves in line with the policy set out.

Support, volunteers and other organisations

Citygate Church is only able to continue in the work it does because of the time and resources given by volunteers. The trustees express their thanks for the ongoing generosity of individuals in both donations and volunteer time.

Employees

The work of Citygate Church relies on the commitment and hard work of its valued staff. At the year-end Citygate Church directly employed 14 members of staff (both full-time and part-time).

The trustees wish to take this opportunity to thank all staff, past and present, for their service and commitment.

Remuneration policy

Trustees decide on salaries for all staff. The process for review involves using a Salary Matrix which was developed by one of the trustees which considers key responsibility areas for each role which are scored on a systematic basic and weighted depending on the level of responsibility and value that each category is to the organisation. Appraisal review feedback is also given to the trustees and used in determining where on the scale each employee is performing based on the matrix.

Salaries are reviewed at the end of each financial year and coincide with the production of budgets. These are reviewed and discussed by trustees and approved at the year end.

Public Benefit

One of the main objectives of a church is to engage in social action work for the benefit of the community it serves. This principle is strongly encouraged as a core belief of the Christian faith. The nature of this work varies enormously, but typically, churches will engage in a number of different projects - a recent survey of churches associated with 'Commission', found that each church was involved in an average of seven social action projects. The most common are:

Mothers and toddlers' groups
Marriage counselling /courses
Community festivals/fun days
Debt counselling
Children's clubs (not including Sunday school type activities)
School assemblies / RE work
Parenting help/courses
Food distribution
Caring for the Elderly (not exclusively for church members) Youth work

While these are the most common, there are many others which churches run, and also in conjunction with other churches in their local vicinity. These include street patrols, sex workers/ trafficking, pregnancy/postabortion help, working with the homeless and other community improvement initiatives (such as clean ups). Working with those in or recovering from addiction (e.g. drugs/alcohol) is also a common social action project among this family of churches. Citygate Church is involved in most of the above activities and its work among those in recovery from addiction and abuse as well its support and reaching out to sex workers, is benefiting the community it serves.

Citygate Church
Report of the Trustees
Year ended 31 December 2022

Our public meetings on Sundays provide an opportunity for teaching, worship, envisioning and sharing time together as a community of people. This is with the aim of individuals enjoying being together to develop a strong sense of community and also to envision church members to serve their own local community.

The trustees believe that the charity meets the public benefit requirements and have complied with the duty in Section 4 and 17 of the Charities Act 2011 and that we have given due regard to the guidance issued by the Charity Commission on delivery of public benefit, including the Supplementary Guidance.

Structure, Governance and Management

Governing document

Citygate Church is a charitable company, limited by guarantee, incorporated on 8 August 2006 and registered as a charity on 15 February 2007. The company's Memorandum of Association established the objects and powers of the charitable company. The company is governed by its Articles of Association.

Recruitment and appointment of Trustees

Trustees are recruited and appointed by the members at the Annual General Meeting where they are deemed to possess the experience and skills required to perform the role of a director. The trustees may also appoint a director to serve until the next Annual General Meeting, at which time he or she would cease to hold office but would be eligible for election.

Induction and training of trustees

All trustees are considered to be highly experienced and skilled individuals. Training is provided where considered necessary.

Organisational structure

Overall, Citygate Church is led by Russell White and a team of elders. They are responsible to God for the leadership of the church. They will work to ensure that the vision of the church is fully implemented.

The elders named on page 2 served throughout the year.

The trustees carry legal responsibilities and duties. The Trustees (who are appointed by the elders) have a dual responsibility: -

They are the people responsible in law under the charity's governing document for controlling the management and administration of the charity. They have a major responsibility to support the elders in their leadership of the church, which leadership is accountable to God for every aspect of church life including the oversight of the work of the Trustees.

The board of trustees consists of two executive trustees, both of whom are elders (Russell White and Sean Theunissen), and 4 non-executive trustees. The non-executive trustees bring experience and expertise in business, human resources, risk management, information governance, security and law.

Citygate Church
Report of the Trustees
Year ended 31 December 2022

The trustees have delegated the day-to-day responsibilities of the charity to key staff and executive trustees. These include Finance, Governance, HR and Risk systems and processes. The executive trustees will report to the trustees on a regular basis on these areas of responsibility. The Elders will set the vision and direction of the church and lead the church through teaching and training.

Related parties

The charity was born out of a movement of churches in the United Kingdom and across the world called Newfrontiers. Newfrontiers has now multiplied into a number of networks which work both individually and in partnership where there is mutual benefit. Guy Miller, an elder of Citygate Church until his resignation in March 2018, leads one of these networks, set up as a charity under the name Commission Apostolic Trust Limited. The charity was established on 14 November 2012 and runs the above activities under its charitable objectives.

Risk management

The trustees have overall responsibility for the charity's internal control. Such a system can provide only reasonable and not absolute assurance against errors or fraud. There is a clear delegation of the trustees' authority through the executive trustees and the elders to the rest of the charity.

The charity operates a planning and budgeting system with an annual budget approved by the board of trustees. A financial reporting system monitors the income and expenditure of the charity against the budget on a monthly basis.

A register of the risks faced by the charity is being developed, identifying the major strategic and operational risks faced and how they are being managed. The major risks identified are reputational risk and loss of key staff.

Reputational risk is managed through a number of strategies including accountability of senior leaders and clear management of communications and public relations. Loss of key staff risks are mitigated to an extent through the performance appraisal process which encourages open communication and line management of staff, as well as a clear policy on reviewing salaries and other benefits.

The trustees are satisfied that systems are in place to monitor, manage, and mitigate the charities exposure to major risks. They consider that the development of the charity's reserves and reviewing internal controls and risk will provide the charity with adequate risk assurance and sufficient resources in the event of adverse conditions. They also recognise that the nature of some of the charity's work requires active acceptance and management of some risks when undertaking activities to achieve the objectives of the charity.

Trustees' responsibilities in relation to the financial statements

The trustees (who are also directors of Citygate Church for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

**Citygate Church
Report of the Trustees
Year ended 31 December 2022**

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent examiner

Saffery Champness, the charity's independent examiners are willing to remain in office and a resolution to reappoint them will be proposed at the Annual General Meeting.

The Trustees have taken advantage of the small companies' regime in preparing the Report of the Trustees.

Citygate Church
Independent Examiner's Report to the Trustees of
Citygate Church Limited

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 December 2022.

Respective responsibilities of trustees and examiner

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Citygate Church

**Independent Examiner's Report to the Trustees of
Citygate Church Limited**

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

1.1 Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards, the Charity Commission Statement of Recommended Practice - Accounting and Reporting by provisions of the Charities SORP (FRS 102) – Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (effective 1 January 2019) and the Companies Act 2006.

Citygate Church constitutes a public benefit entity as defined by FRS102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

1.2 Consolidation

These accounts present the results of the Charity and its wholly owned subsidiary Citygate Events Limited. The Charity has taken advantage of the exemption under section 408 of Companies Act 2006, not to publish its own Statement of Financial Activities. The Charity made a deficit for the financial year of £25,488 (2021: surplus £812,942)

1.3 Investments

Investments are stated at historical cost less provision for any diminution in value.

1.4 Fund Accounting

The general unrestricted fund is available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

The designated funds represent unrestricted funds earmarked by the trustees for specific purposes.

The restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

1.5 Fixed Assets

All fixed assets are initially recorded at cost.

All assets costing more than £400 are capitalised.

1.6 Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Motor vehicles	– 25% reducing balance
Other plant and machinery	– 25% reducing balance
Freehold and leasehold property	– 2% on a straight line basis

1.7 Pension costs

The charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the charity. The annual contributions payable are charged to the statement of financial activities.

1.8 Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. Specific policies are applied to particular categories of income.

Voluntary income is received by way of grants and donations and is included in full in the statement of financial activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Investment income, being interest, is included when receivable.

Incoming resources from grants which are related to performance and specific deliverables are accounted for as the charity earns the rights to consideration by its performance.

1.9 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Irrecoverable VAT is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the time spent.

Governance costs include those costs associated with meeting with constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

1.10 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

1.11 Financial instruments

The group has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are recognised initially in the accounts at transaction price, including any transaction costs. At the end of each accounting period, basic financial instruments are recognised at amortised cost.

1.12 Critical estimate and judgements and key sources of estimation uncertainty

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
