NOTES TO THE ABBREVIATED ACCOUNTS

1. Accounting Policies

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the company's accounts.

a) Basis of Accounting

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005) .

b) Depreciation

Depreciation is provided at the following annual rates so as to write off the cost of each asset over its estimated useful life as follows:

Office Equipment	25% pa Straight Line
------------------	----------------------

c) Stocks

The company does not own any stocks.

d) Deferred Taxation

Deferred Tax arises as a result of including items of expenditure in taxation computations in periods different from those in which they were included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more tax at a future date, at the tax rate expected to apply when the timing differences reverse, based on current tax rates and laws.
