## Notes to the Abbreviated Accounts

### 1 Accounting policies

#### Going concern

The shareholder has agreed that they will continue to support the company, and ensure that it has adequate resources to continue in operational existence for the foreseeable future. For this reason, the financial statements have been prepared on a going concern basis.

#### Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers.

#### Revenue recognition

Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales tax or duty.

#### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

| Asset class         | Depreciation method and rate |
|---------------------|------------------------------|
| Plant and machinery | 33% straight line            |

#### Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.
