The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31st March 2011

The members have not required the company to obtain an audit of its financial statements for the year ended 31st March 2011 in accordance with Section 476 of the Companies Act 2006

The directors acknowledge their responsibilities for

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company

The notes on pages 4 to 5 form part of these abbreviated accounts

Woodvale Developments Limited

Abbreviated Balance Sheet - continued
31st March 2011

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies

The financial statements were approved by the Board of Directors on 30th September 2011 and were signed on its behalf by:

A handwritten signature in black ink, appearing to read 'M K Payne', is written over the text 'on its behalf by:' and extends downwards towards the name 'M K Payne - Director'.

M K Payne - Director

The notes on pages 4 to 5 form part of these abbreviated accounts

Woodvale Developments Limited

Notes to the Abbreviated Accounts for the Year Ended 31st March 2011

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Motor vehicles - 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all material timing differences that have originated but not reversed at the balance sheet date

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Investment Properties

As permitted by the transitional provisions of the Statement of Standard Accounting Practice 19 (SSAP 19), the company has elected not to adopt a policy of revaluation of its investment properties. It will retain the carrying value of these as purchased. The directors are currently of the opinion that the company's investment properties would realise at least the value at which they are shown in the financial statements.

Contrary to the Companies Act 2006, no depreciation is provided in respect of Freehold Investment Properties. However this requirement conflicts with the generally accepted accounting principle set out in SSAP 19. The directors consider that, because these properties are not held for consumption, but for investment potential, departure from the requirements of the Companies Acts is justified.

Going concern

The company has net current liabilities and trades with the support of its directors. The directors have confirmed their intention to continue to support the company. This together with management information and forecast results leads the directors to consider it appropriate to prepare the financial statements on a going concern basis.
