Computer equipment	3 years straight line basis
--------------------	-----------------------------

1.4 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term

1.5 Long term contracts

Amounts recoverable on long term contracts, which are included in debtors, are stated at the net sales value of the work done after provision for contingencies and anticipated future losses on contracts, less amounts received as progress payments on account. Excess progress payments are included in creditors as payments on account

1.6 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable
