Notes to the abbreviated accounts

For the year ending 28

February 2012

1 **Accounting policies**

Accounting conventionThe accounts are prepared under the historical cost convention modified to include the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). Investment PropertyInvestment properties are shown at their open market value. The surplus or deficit arising from the annual revaluation is transferred to the investment revaluation reserve. This is in accordance with the FRSSE which does not require depreciation of investments properties. Investment properties are held for their Investment potential and not for use by the company and so their current value is of prime importance. The departure from the Companies Act is required to give a true and fair view.

Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.
