A W HAINSWORTH HOLDINGS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2011

The directors present their report and financial statements for the year ended 31 March 2011

Principal activities and review of the business

The principal activity of the group continues to be as manufacturers and merchants of cloth, textile products and games equipment

The profit on ordinary activities after tax amounted to £274,011 (2010 - £402,331) After provision for ordinary dividends of £30,314 (2010 - £70,000), a profit of £243,697 (2010 - £332,331) has been added to reserves

The results for the year were lower than expected due to investments in improvements to the infrastructure of the factory, the introduction of new products and the company taking a prudent approach to valuation of the carrying value of fixed asset investments

The group works closely with its customers and suppliers to continually create innovative products that meet and exceed the needs of the market it serves Increased expenditure in research and development has happened throughout the year to ensure the company's leadership position is maintained

The Board keeps tight fiscal control in all production and material costs. The principal risk is the input price of raw materials, exchange rates and energy price fluctuations Where practical the group covers forward raw materials and balances exchange rates through purchases and sales in different currencies

Employee involvement

It is the group's policy that employees should be kept as fully informed as is feasible and practicable about the activities of the group through the media of company newspapers, works committees and team briefings. Applications for employment by disabled persons are always fully considered, bearing in mind the respective aptitudes and abilities of the applicant concerned They are eligible for promotion and within the limits of their disabilities are given equal consideration with other applicants It is the group's policy to continue to employ persons who become disabled within the group's employment

Defined benefit final salary pension scheme

The group continues to take a prudent approach to the defined benefit final salary pension scheme and closed the scheme for existing members in September 2010. Over the year the group has continued to pay contributions to the scheme over and above the minimum funding requirement to ensure it has the assets to meet its liabilities The group has also started consultation with the trustees of the scheme to start a liability reduction exercise

Key performance indicators

The group manages its business by reference to two key performance indicators, turnover £13,421k (2010 - £13,484k) and gross profit margin 23.3% (2010 - 23.2%).

Results and dividends

The consolidated profit and loss account for the year is set out on page 6

Auditors

Saffery Champness have expressed their willingness to remain in office as auditors of the company.

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2011**

Statement of disclosure to auditors

So far as the directors are aware, there is no relevant audit information of which the group's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the group's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF A W HAINSWORTH HOLDINGS LIMITED

We have audited the group and parent company financial statements (the "financial statements") of A W Hainsworth Holdings Limited for the year ended 31 March 2011 set out on pages 6 to 30. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 1 - 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent company's affairs as at 31 March 2011 and of the group's profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

A W HAINSWORTH HOLDINGS LIMITED

**INDEPENDENT AUDITORS' REPORT (continued)
TO THE MEMBERS OF A W HAINSWORTH HOLDINGS LIMITED**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the parent company financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Basis of consolidation

The consolidated profit and loss account and balance sheet include the financial statements of the company and its subsidiary undertakings made up to 31 March 2011. The results of subsidiaries sold or acquired are included in the profit and loss account up to, or from the date control passes. Intra-group sales and profits are eliminated fully on consolidation.

1.4 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.5 Goodwill and intangible assets

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life.

1.6 Brand licenses

Brand licenses are valued at cost less accumulated amortisation. Amortisation is calculated to write off the cost in equal annual instalments over their estimated useful lives.

1.7 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold	Nil, 2% or 5% per annum, on a straight line basis
Plant and machinery	5% to 25% per annum, on a straight line basis
Motor vehicles	25% per annum, on a straight line basis

1.8 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.9 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.10 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value.

A W HAINSWORTH HOLDINGS LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (continued) FOR THE YEAR ENDED 31 MARCH 2011

1 Accounting policies

(continued)

1.11 Pensions

The company operates a funded defined benefit pension scheme and a money purchase pension scheme. The money purchase pension scheme "The Hainsworth Pension Scheme" was established on 1 July 2000. The assets of the scheme are held separately from those of the company in independently administered funds. For the money purchase scheme the amount charged to the profit and loss account in respect of pension costs and other post-retirement benefits is the contribution payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

For the defined benefit section the amounts charged to operating profit are the current service costs and gains and losses on settlements or curtailments. They are included as part of staff costs. Past service costs are recognised in the profit and loss account if the benefits have vested. If the benefits have not vested immediately the costs are recognised over a period until vesting occurs. The interest costs and the expected return on assets are shown as a net amount of other financial costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in the statement of total recognised gains and losses.

The defined benefit section is funded, with the assets held separately from those of the company, in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent currency and term to the scheme liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The resulting defined benefit asset or liability, net of the related deferred tax, is presented separately after other net assets on the face of the balance sheet.

1.12 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

1.13 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

1.14 Revenue recognition

Revenue is recognised at the point of sale to the customer.

1.15 Dividends on shares presented in shareholders' funds

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and no longer at the discretion of the company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

15 Pension scheme

The company operates a funded defined benefit pension scheme and a money purchase pension scheme. The assets of the scheme are held separately from those in the group independently administered funds.

Defined Benefit Scheme

The AWH Group Pension Scheme is a defined benefit scheme, providing benefits at retirement with contributions being charged to the profit and loss account so as to spread the cost of pensions over employees' working lives in the company. The contributions are determined by a qualified actuary on the basis of triennial valuations using the projected unit method. For the year ended 31 March 2011 the employer and employee contributions were £156,000 and £9,000 respectively. The employer also paid the expenses of operating the Scheme, and covered the cost of insuring the lump-sum death-in-service benefits provided by the Scheme.

The scheme was closed to new entrants on 18 March 1999 and the age profile of active members will increase over time. Under the projected unit method used for FRS17 the current service cost will increase as active members of the scheme approach retirement.

The most recent actuarial valuation of the scheme was carried out as at 30 June 2010 and has been updated to 31 March 2011 to take account of the requirements of FRS17. The principal assumptions used by the actuary, together with the assumptions used at 31 March 2010, were

	31-Mar 2011	31-Mar 2010
Rate of increase in salaries	3.75%	3.75%
Rate of increase in pensions in payment and deferred pensions	3.75%	3.75%
Discount rate applied to scheme liabilities	5.55%	5.60%
Inflation assumption	3.55%	3.75%

The assumptions used by the actuary are the best estimates chosen from a range of possible actuarial assumptions which, due to the timescale covered, may not necessarily be borne out in practice.

Defined Contribution Pension Scheme

The defined contribution scheme was established on 1 July 2000. The assets of the scheme are held separately from those in the company in independently administered funds. The amount charged against profits represents contributions payable to the scheme in respect of the accounting period. There were no outstanding or prepaid contributions at the year end.
