1 Accounting policies

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). Tangible fixed assets All buildings are maintained to a high standard by a policy of continual maintenance and renovation and, as such the directors believe that depreciation is not required. Building maintenance reserve The Building Maintenance Reserve represents funds specifically allocated to cover the anticipated future expenditure to maintain the building. In the commencement period, the responsibility for this has been taken over from a third party, (along with the purchase of the Freehold Title). Because of this transfer of responsibility, the company has also inherited the associated balance of the remaining unspent cumulative Building Maintenance Reserve totalling £38,555. Tenants' loan accounts During the period the Company purchased the freehold of the properties collectively known as "Porters House", Porters Lane, Southampton. This was financed by loans from each of the leaseholders and are recognised as long-term loans within the financial statements.
