Notes to the Abbreviated Accounts for the period ended 31 December 2014

1 Accounting Policies

Basis of measurement and preparation of accounts
The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy
Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible assets depreciation policy
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life. Plant and machinery - 25% per annum reducing balance basis.

Other accounting policies
Deferred tax - deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Going concern - at the balance sheet date, the reporting entity had net liabilities and the company is reliant on the support by the director. On the basis that the director will continue to support the reporting entity for the foreseeable future, the director considers it appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of the support of the director.
