SEARCYS 1847 CHAMPAGNE BARS LIMITED

DIRECTORS' REPORT FOR THE PERIOD ENDED 29 DECEMBER 2021

The directors present their report and the audited financial statements for the period ended 29 December 2021.

In common with much of the hospitality sector, Searcys 1847 Champagne Bars Limited operates to a weekly reporting cycle rather than calendar month end basis. Accordingly, these financial statements are for the 52 week period ended 29 December 2021, with comparative values for the 52 week and 5 day period ended 30 December 2020. Note that in 2020 we adjusted our statutory accounts reporting cycle, electing to close the accounts on the nearest Wednesday to 31 December.

Principal activities

The principal activity of the company was the operation of a champagne bar. Due to Covid-19 the company ceased trading in the prior period and going forwards will become dormant.

Business review, results and dividends

The loss for the period amounted to £36,000 (2020: £127,000). The company had net liabilities at period end of £1,316,000 (2020: £1,280,000). The directors do not recommend payment of a dividend by the company (2020: £nil).

In March 2020, the World Health Organization declared the novel strain of Coronavirus ("Covid-19") a global pandemic and recommended containment and mitigation measures worldwide. Faced with an unprecedented crisis governments across the globe enforced varying degrees of 'lockdowns' and restrictions across their respective territories with a primary aim to lessen the spread of the virus. Inevitably, these actions materially impacted the company with trade ceasing in the prior period and during the current period the company exiting all leases. With the company ceasing its principal activity, it will become dormant.

Directors

The directors who served during the period and to the date of signing were:

M Bradley
P Jackson
C Richards
A Storey

Strategic report

Advantage has been taken of the exemption under Section 414B of the Companies Act 2006 from the requirement to prepare a strategic report.

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have prepared the company financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law).

Under company law, directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

SEARCYS 1847 CHAMPAGNE BARS LIMITED

**DIRECTORS' REPORT (CONTINUED)
FOR THE PERIOD ENDED 29 DECEMBER 2021**

Statement of directors' responsibilities (continued)

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Directors' confirmations

In the case of each director in office at the date the directors' report is approved:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Qualifying third party indemnity provisions

During the period, and up to the date of approval of the financial statements, the company had in place qualifying third party indemnity provision for the benefit of all the directors of the company.

Going concern

The directors are confident that the company, with the support of the group, can meet all its obligations as they fall due through to at least twelve months from the date of these financial statements. Accordingly, the directors have formed a judgement that it is appropriate to prepare the financial statements on a going concern basis.

Independent auditors

The auditors, PricewaterhouseCoopers LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

Small companies note

In preparing this report, the directors have taken advantage of the small companies exemption provided by section 415A of the Companies Act 2006.

This report was approved by the Board and signed on its behalf.

Independent auditors' report to the members of Searcys 1847 Champagne Bar Limited

Report on the audit of the financial statements

Opinion

In our opinion, Searcys 1847 Champagne Bar Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 29 December 2021 and of its loss for the 52 week period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: Balance Sheet as at 29 December 2021; Statement of Comprehensive Income and Statement of Changes in Equity for the period then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

Strategic report and Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Directors' report for the period ended 29 December 2021 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Directors' report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to Companies Act 2006, UK Pensions and Tax Legislation, Health and Safety Executive Legislation, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries to manipulate financial results. Audit procedures performed by the engagement team included:

- Discussions with management and the group Audit Committee, including consideration of known or suspected instances of non-compliance with laws and regulation or fraud
- Identifying and testing journal entries based on our risk assessment, in particular any journal entries posted with unusual descriptions, unusual account combinations or posted by senior management and evaluating whether there was evidence of management bias that represents a risk of misstatement due to fraud
- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations

- Incorporating elements of unpredictability into the audit procedures performed

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

SEARCYS 1847 CHAMPAGNE BAR LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 29 DECEMBER 2021

1. General information

Searcys 1847 Champagne Bar Limited is a private company limited by shares. It was incorporated and is registered within England and Wales.

In common with much of the hospitality sector, Searcys 1847 Champagne Bars Limited operates to a weekly reporting cycle rather than calendar month end basis. Accordingly, these financial statements are for the 52 week period ended 29 December 2021, with comparative values for the 52 week and 5 day period ended 30 December 2020. Note that in 2020 we adjusted our statutory accounts reporting cycle, electing to close the accounts on the nearest Wednesday to 31 December.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared on a going concern basis. The financial statements are presented in GBP, which is also the company's functional currency.

The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to each presented period, unless otherwise stated.

2.2 Going concern

The directors are confident that the company, with the support of the group, can meet all its obligations as they fall due through to at least twelve months from the date of these financial statements. Accordingly, the directors have formed a judgement that it is appropriate to prepare the financial statements on a going concern basis.

2.3 Turnover

Turnover is recognised to the extent that it is probable that the economic benefits will flow to the company and the turnover can be reliably measured. Turnover is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

SEARCYS 1847 CHAMPAGNE BAR LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 29 DECEMBER 2021

2. Accounting policies (continued)

2.4 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

At each reporting date the company assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined which is the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

- Fixtures and fittings - 3 to 10 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

2.5 Debtors

Short term debtors are measured at transaction price, less any impairment.

2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

2.7 Financial instruments

The company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.8 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

SEARCYS 1847 CHAMPAGNE BAR LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 29 DECEMBER 2021

2. Accounting policies (continued)

2.9 Operating leases

Rentals paid under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the lease term, unless another systematic basis is representative of the time pattern of the lessee's benefit from the use of the leased asset.

The company took advantage of the optional exemption available on transition to FRS 102 which allows lease incentives on leases entered into before the date of transition to the standard (2 January 2016) to continue to be charged over the period to the first market rent review rather than the term of the lease.

2.10 Current and deferred taxation

The tax expense for the period comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Balance Sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

2.11 Key accounting judgements and estimates

The company makes accounting judgements and estimates in order to prepare the financial statements for the period. No accounting judgements or estimates are considered significant.

3. Turnover

The turnover of the company for the prior period has been derived from the sales of goods and services in the UK.

SEARCYS 1847 CHAMPAGNE BAR LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 29 DECEMBER 2021

4. Operating loss

The operating loss is stated after charging:

	2021 £000	2020 £000
Depreciation of tangible fixed assets	1	1
Loss on disposal of tangible fixed assets	6	-
Operating lease rentals	30	205
	<u>37</u>	<u>216</u>

5. Auditors' remuneration

Auditors' remuneration for statutory audit services of £14,000 (2020: £13,000) has been borne by a fellow group company.

6. Employees

The company has no direct employees but instead incurred a charge of £11,000 (2020: £79,000) from a fellow group company for employee services for an average of 1 (2020: 3) full-time equivalent employees.

7. Directors' remuneration

Directors' emoluments have been borne by other companies under common group ownership. These directors are also directors or officers of at least one other company within the group. These directors' services to the company do not occupy a significant proportion of their time. As such, these directors do not consider that they have received any remuneration for their incidental services to the company for the periods covered by these financial statements.

8. Tax credit on loss

	2021 £000	2020 £000
Corporation tax		
Current tax credit relating to group relief	(8)	(39)
Adjustments in respect of prior periods	(33)	-
Total current tax credit	<u>(41)</u>	<u>(39)</u>
Deferred tax		
Origination and reversal of timing differences	-	7
Adjustments in respect of prior periods	33	(6)
Other	-	(3)
Total deferred tax charge/(credit)	<u>33</u>	<u>(2)</u>
Tax credit on loss	<u>(8)</u>	<u>(41)</u>

SEARCYS 1847 CHAMPAGNE BAR LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 29 DECEMBER 2021

8. Tax credit on loss (continued)

Factors affecting tax charge for the period

The tax assessed for the period is higher than (2020: *lower than*) the standard rate of corporation tax in the UK of 19.00% (2020: 19.00%). The differences are explained below:

	2021 £000	2020 £000
Loss before tax	(44)	(168)
Loss before tax multiplied by standard rate of corporation tax in the UK of 19.00% (2020: 19%)	(8)	(32)
Effects of:		
Adjustments in respect of prior periods	-	(6)
Other	-	(3)
Total tax credit for the period	(8)	(41)

Factors that may affect future tax charges

An increase to the rate of corporation tax to 25% from April 2023 was substantially enacted by the balance sheet date. The increased rate will also affect future current tax charges. In the Spring Budget statement of 2022, the Chancellor announced plans to review the tax treatment of expenditure related to improvements to productivity. The exact measures are not yet known and not substantially enacted. Therefore the effects of any such changes are not included in these financial statements.

	-	1,085

SEARCYS 1847 CHAMPAGNE BAR LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 29 DECEMBER 2021

15. Related party transactions

The company has taken advantage of the exemption contained in Section 33 of FRS 102 which applies to group undertakings and has not disclosed details of transactions with wholly owned group companies.

16. Controlling party

Searcy Tansley and Company Limited, a company incorporated in England and Wales, is the immediate parent company and the smallest group into which the company's results are consolidated.

The directors regard the ultimate parent company to be CD&R and WSH JVco (UK) Limited, a company incorporated in England and Wales. CD&R and WSH JVco (UK) Limited is also the largest group into which the company's results are consolidated.

Copies of the consolidated financial statements for both Searcy Tansley and Company Limited and CD&R and WSH JVco (UK) Limited can be obtained from 300 Thames Valley Park Drive, Reading, RG6 1PT.

The ultimate controlling party is CD&R and WSH JVco Limited, a UK tax resident company.
