Directors' Report
For the year ended 31 March 2013

The directors present their annual report and the audited financial statements for the year ended 31 March 2013. This directors' report has been prepared in accordance with the provisions applicable to small companies entitled to the small companies' exemption.

Principal activities

The company manages one health centre at Glebefields under the Government's LIFT Initiative. The property is fully operational in line with the directors' expectations.

Results and dividends

The directors cannot recommend the payment of a dividend (2012: £nil). The loss before taxation for the year amounted to £223,000 (2012: £247,000). After a taxation charge of £nil (2012: £nil), the loss after taxation was £223,000 (2012: £247,000). The results are shown on page 6.

Going concern

The company has net liabilities of £460,000 (2012: £237,000) and cash of £1,214,000 (2012: £631,000) at 31 March 2013.

On 1st April 2013 Sandwell Primary Care Trust, the principal tenant of the company, was abolished under the provisions of the Health and Social Care Act 2012. Under a statutory property transfer scheme, the head lease was transferred to Community Health Partnerships Limited, a company whose entire share capital is owned by the Secretary of State for Health. The directors note there are on-going discussions between the Department of Health and a number of funders to ensure the covenant strength of the tenant has not diminished by the transfer. At the time of signing the accounts these discussions have not been concluded. The directors do not consider there to be significant uncertainty in connection with this and expect the matter to be successfully resolved in the near future.

The directors have reviewed the future liquidity requirements and have considered the cash flow forecasts of the company. Based on this review and the future business prospects of the company, despite the current economic conditions the directors believe the company will be able to meet its liabilities as they fall due.

Having regard to the above and after making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Directors

The current directors of the company, who served throughout the financial year unless stated otherwise, are as shown on page 1.

A Lawley resigned as a director on the 31 March 2013.

Directors' Report (continued)
For the year ended 31 March 2013

Directors' responsibilities statement

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor and disclosure of information to auditor

In the case of each of the persons who are directors of the company at the date when this report is approved:

- so far as each of the directors is aware, there is no relevant audit information of which the company's auditor is unaware, and
- each of the directors has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have indicated their willingness to continue in office as the company's auditor.

By order of the board

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SANDWELL LIFT PROJECT COMPANY (NO.2) LIMITED

We have audited the financial statements of Sandwell LIFT Project Company (No 2) Limited for the year ended 31 March 2013 which comprise the Profit and Loss Account, the Balance Sheet, the Principal Accounting Policies and the related notes 1 to 17. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2013 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SANDWELL LIFT
PROJECT COMPANY (NO.2) LIMITED (continued)**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

Principal Accounting Policies
For the year ended 31 March 2013

The principal accounting policies are summarised below. They have been applied consistently throughout the current and preceding year.

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards.

Going concern

The company has net liabilities of £460,000 (2012: £237,000) and cash of £1,214,000 (2012: £631,000) at 31 March 2013.

On 1st April 2013 Sandwell Primary Care Trust, the principal tenant of the company, was abolished under the provisions of the Health and Social Care Act 2012. Under a statutory property transfer scheme, the head lease was transferred to Community Health Partnerships Limited, a company whose entire share capital is owned by the Secretary of State for Health. The directors note there are on-going discussions between the Department of Health and a number of funders to ensure the covenant strength of the tenant has not diminished by the transfer. At the time of signing the accounts these discussions have not been concluded. The directors do not consider there to be significant uncertainty in connection with this and expect the matter to be successfully resolved in the near future.

The directors have reviewed the future liquidity requirements and have considered the cash flow forecasts of the company. Based on this review and the future business prospects of the company, despite the current economic conditions the directors believe the company will be able to meet its liabilities as they fall due.

Having regard to the above and after making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Cash flow statement

A cash flow statement is not presented since the company satisfies the definition of a small company and is therefore exempt from the requirement in accordance with Financial Reporting Standard No. 1 (revised).

Tangible fixed assets

Land and buildings are stated at historic cost, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets except freehold land at rates calculated to write off the cost, less estimated residual value, on a straight-line basis over their expected useful lives as follows:

Freehold buildings – 25 years

Residual value is calculated on prices prevailing at the date of acquisition. No depreciation is provided in the month of acquisition or during construction.

Principal Accounting Policies (continued)
For the year ended 31 March 2013

Finance costs

Finance costs that are directly attributable to the cost of construction of fixed assets are capitalised as part of the costs of those assets. The commencement of capitalisation begins when both finance costs and expenditure for the assets are being incurred and activities that are necessary to get the asset ready for use are in progress. Capitalisation ceases when substantially all the activities that are necessary to get the assets ready for use are complete.

Bank borrowings

Interest bearing loans and overdrafts are recorded at the proceeds received, net of direct issue costs. Finance charges, including premiums payable on settlement or redemption and direct issue costs, are accounted for on an accruals basis in the profit and loss account.

Derivative financial instruments

The company holds derivative financial instruments which have the effect of fixing the interest rate payable on bank borrowings. Amounts payable or receivable in respect of interest rate derivatives are recognised as adjustments to interest over the period of the contract. The company holds a swap to hedge adverse movements in the retail price index. Derivative financial instruments are not held for speculative purposes.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements.

Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Turnover

Turnover represents income received in the ordinary course of business for services provided and excludes value added tax.

Turnover in respect of services provided is recognised in line with the period to which it relates and is recorded at the value of consideration due.

Rental revenue is recognised on a straight-line basis over the term of the relevant lease.

Notes to the Financial Statements
For the year ended 31 March 2013

The audit fee for the company amounts to £2,800 (2012 £4,000) This cost has been borne by Community Solutions Partnership Services Limited and has been recharged to the company through the management services agreement between the two parties

3. Emoluments of directors

The directors did not receive any remuneration from the company for their services to the company during the year or the previous year. The directors are remunerated by the shareholding companies for their services to the group as a whole. It is not practicable to apportion their remuneration for their services to this company.

4. Staff numbers and costs

The company had no employees during the current or prior period.

7. Tax on loss on ordinary activities (continued)

Factors affecting tax for the current year

The differences between the total current tax shown above and the amount calculated by applying the standard rate of UK corporation tax to the loss before tax are as follows

	2013 £'000	2012 £'000
b) Factors affecting tax credit for the year		
Loss on ordinary activities before tax	<u>(223)</u>	<u>(247)</u>
Loss on ordinary activities multiplied by the standard rate of corporation tax in the UK of 24% (2012 26%)	54	64

Losses carried forward	(95)	(538)
Capitalised revenue expenditure	<u>-</u>	<u>183</u>
Current tax for the year	<u>-</u>	<u>-</u>

A deferred tax asset has not been recognised in respect of timing differences relating to revenue losses as there is insufficient evidence that the asset will be recovered. The amount of the asset not recognised is £115,000 (2012 £206,000). The asset would be recovered if sufficient future taxable profits were to arise against which the asset could be offset.

The Finance Act 2012 was enacted on 17 July 2012 and included provisions, which reduced the main rate of corporation tax to 24% from 1 April 2012 and 23% from 1 April 2013. Current tax has been calculated at 24% and deferred tax at 23%.

During the 2013 Budget, The UK Government announced reductions of the main rate of corporation tax to 20% by 1 April 2015, which are expected to be substantively enacted in the Finance Act 2013.

As these rates were not substantively enacted at the balance sheet date, the rate reduction is not reflected in these financial statements. The effect of these tax rate reductions on the deferred tax balance will be accounted for in the period in which the tax rate reductions are substantively enacted.

For the year ended 31 March 2013

12 Loans (continued)

Bank borrowings relate to a Senior Debt Facility of £9 399 million granted by Santander Bank plc, which is charged at LIBOR plus a margin of 2.25%. The company does not hold or issue derivative financial instruments for speculative purposes.

The amounts drawn under the Senior Debt Facility are repayable on an agreed repayment profile of 6 monthly instalments that commenced on 31 December 2010 and are due to end on 31 May 2041, with a final instalment of £2,200,000.

Interest charges on amounts borrowed are based on floating LIBOR. The company has entered into an interest rate swap agreement whereby it pays a fixed rate of 4.45% per annum in respect of amounts drawn under the Senior Debt Facility.

The swap expires on 31 May 2041. The fair value of the swap at 31 March 2013 was a negative £2,445,000 (2012: £1,932,000).

The Senior Debt Facility is secured by a first floating charge over the assets of the company under a debenture agreement dated 26 November 2009. Amounts owed to the parent undertaking include the sum of £1,142,000 (2012: £1,005,000) for subordinated loans, provided by Sandwell LIFT Midco (No. 2) Limited. This loan is unsecured.

In accordance with FRS4 "Capital Instruments" debt issue costs have been offset against the bank loans and will be amortised over the duration of the facility.

In addition, the company has entered into RPI swap agreements at rates of 3.24% to mitigate its risk in respect of inflation linked income, which have a negative fair value at 31 March 2013 of £1,538,000 (2012: £931,000).

(b) Subordinated loans owed to parent undertaking	2013 £'000	2012 £'000
The loans are repayable as follows:
