- ~ select suitable accounting policies and then apply them consistently,
- ~ make judgements and estimates that are reasonable and prudent,
- ~ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. We have examined, without carrying out an audit, the financial statements for the period ended 30 April 2010 set out on pages 5 to 11

Respective responsibilities of directors and reporting accountant

As described on the balance sheet the company's directors are responsible for the preparation of financial statements and they believe that the company is exempt from audit. It is our responsibility to examine the financial statements and based on our examination report our opinion, as set out below, to the shareholders

Basis of opinion

We conducted our examination in accordance with appropriate standards for reporting accountants issued by the Auditing Practices Board. This examination consisted of comparing the financial statements with the accounting records kept by the company and making such limited enquiries of the officers of the company as we considered necessary for the purpose of this report.

The examination was not an audit conducted in accordance with Auditing Standards. Accordingly we do not express an audit opinion on the financial statements. Therefore our examination does not provide any assurance that the accounting records and the financial statements are free from material mis-statement.

Opinion

In our opinion

- (a) The financial statements are in agreement with those accounting records kept by the company under the Companies Act 2006
- (b) Having regard only to and on the basis of the information contained in those accounting records, the financial statements have been drawn up in a manner consistent with the accounting requirements specified in the Companies Act 2006
- (c) Having regard only to and on the basis of the information contained in the accounting records kept by the company, the company satisfied the conditions for exemption from an audit of the financial statements in the period specified in the Companies Act 2006 and did not at any time within that period fall within any categories of companies not entitled to the exemption specified in the Companies Act 2006
