TRUSTEES ANNUAL REPORT

Structure, Governance and Management

Organisation

The Charity is constituted as a company limited by guarantee and its governing document is its articles of association. It was incorporated on 14th April 2009 for the purpose of taking over the charitable work of the unincorporated trust of the same name, registered charity number 1001298. On 1st October 2009, the assets and undertaking of the unincorporated trust were transferred to the Charity. The unincorporated trust was subsequently dissolved.

As the trustees consist of the MCF and the chairman of the MCF, the MCF exercises control over the Charity, and will consolidate the Charity's results in its group accounts.

Details of the processes for the appointment, induction and training of the MCF's trustees are given in the annual report and accounts of that company.

Governance and Management

All governance and management capabilities are provided by the MCF and details of the relevant committees and processes are provided in the annual report and accounts of that company. Trustees and committees of the MCF address the specific needs of the Charity as part of their roles and responsibilities for the MCF. The trustee board and the main committees meet as follows:

Board/Committee	Purpose	Meetings per year
Trustee Board	Main decision-making body with ultimate responsibility for the Charity	4
Audit and Risk	Identification and mitigation of risk, oversight of external audit	2
Charity Grants	Consideration of applications for grants from organisations recognised by the Charity Commission	4
Communications	Maintaining effective communication with stakeholders, including existing and potential donors and beneficiaries	4
Finance	Ensuring adequate procedures are in place to manage all aspects of financial planning, controlling and reporting.	4
Fundraising	Supporting the masonic community's fund raising activities to support the Charity	4
Investments	Maintaining investment strategies to meet the requirements of the strategy, appointment and monitoring of fund managers	4
Masonic Support	Consideration of applications from individuals connected with the masonic community for financial relief	4
Property (RMTGB only)	Development and execution of strategies to optimise the returns from the Charity's property portfolio	4
Remuneration	Determination of executive and staff pay & benefits	2
Strategy	Development and implementation of strategies to support the Charity's objectives. In addition, the trustees hold an annual strategic 'away day'.	4

The Charity does not employ any staff, with services being provided by staff employed by the MCF. These services are recharged by the MCF monthly, based upon the number of grants processed, as detailed in note 6 to the accounts.

Related Charity

In accordance with a Scheme approved by the High Court on 20th July 1999, the Royal Masonic Hospital Charity ("RMHC"), registered charity number 205793, is controlled by a board of management defined as the persons who from time to time constitute the board of trustees of the Charity. The High Court Order was amended in accordance with a resolution of the members of the unincorporated trust to delete references to the unincorporated trust and substitute references to the Charity.

RMHC continues to receive significant legacy income (£0.57M during the current year), which is transferred as a grant to the Charity. The results of RMHC have been consolidated with those of the Charity in the financial statements.

STRATEGIC REPORT

Objectives and Activities

Objectives

The beneficiaries of the Charity are Freemasons, the wives (or widows as the case may be) or the children or dependents or partners of Freemasons or deceased Freemasons. The objects for which the Charity is established are to advance health and relieve those in need (whether financially or otherwise) by reason of their ill-health or disability by the provision of medical assistance, support, treatment, care or advice to beneficiaries, and by commissioning research which is anticipated to offer benefits to beneficiaries.

Support will principally give relief to applicants who demonstrate a financial need and who are otherwise unable to obtain treatment or care from the NHS or Local Authority (or overseas equivalent) without undue delay or hardship.

Activities

Grants are offered toward the cost of:

- Private medical treatment, surgery or specialist consultations for those facing a lengthy wait for treatment or surgery on the NHS.
- Home adaptations for those with disabilities and mobility problems who are unable to get support from their Local Authority (or equivalent), or who face a lengthy wait for those adaptations.
- Mobility aids for in and around the home and car for those unable to get support from the NHS or their Local Authority.
- Essential dental treatments and procedures which cannot be provided freely or quickly on the NHS.
- Respite care for family carers who provide vital support for a loved one.
- Medical research to fund basic, clinical and epidemiological research projects that aim to improve knowledge, treatment and services for those with illnesses or disabilities.
- In addition to grants, advice and support is offered to help those in need to navigate the health and social care system to ensure they are receiving the support to which they and their loved ones are entitled.

Grants are assessed against eligibility criteria, the guidelines for which are reviewed regularly.

Aims

Following the creation of the MCF, for 2017/18 the primary aim of the Charity was, through the work of the MCF, to combine grant-making activities with those of the RMTGB and TGC to ensure the combined broad range of support was offered to all eligible beneficiaries consistently to the same high standards.

MASONIC SAMARITAN FUND

STRATEGIC REPORT

Public Benefit

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. As described above, the Charity offers assistance to Freemasons and their dependents who can demonstrate a medical and financial need. The Charity has continued to make significant grants in aid of medical research, which benefit the national and international community. It is expected that it will continue to make further grants in the future under the direction of the MCF (the parent charity), subject to the availability of funds. There are currently approximately 200,000 Freemasons in England and Wales, plus a further 20,000 in overseas districts, and a similar number of dependents. Thus almost half a million people are potentially eligible for the Charity's support. Freemasonry is a secular fraternal society which is open to all adult men who subscribe to its moral and spiritual values.

Achievements and Performance

- The Charity has successfully merged its Masonic grant-making activities under the MCF, resulting in a single point of contact and support for all those within the Masonic community seeking help with health and care needs. Through the creation of GAMES (Grant Application Management and Evaluation System) it can now manage, monitor and report on all grants and enquiry activity.
- GAMES also allows trained volunteers to submit and monitor applications for support online in their own regions.
- Through the MCF 2,344 grants were awarded to 1,406 unique beneficiaries for a total of £3.63 M across a wide range of forms of support.
- A grant of £2.21 M was provided to the Royal Masonic Benevolent Institution Care Company ("RMBICC") to support publically-funded Freemasons in care homes.
- For the furtherance of the charities' purpose for the public benefit 7 grants were awarded to charities working in medical research totalling £1.00 M. These included 2 Community Award grants with a total value of £10k to mark the Tercentenary year from the formation of Grand Lodge.

STRATEGIC REPORT

Financial Review

Review of the Year

The principal funding sources continue to be voluntary donations from annual festival appeals, legacies and investment returns.

Income of £2.88 M was 16% higher than the prior year. Festival income of £0.57 M was 8% lower than 2016/17. The Wiltshire festival completed during the year with a final total amount raised of £0.82 M, a splendid achievement, exceeding its target of £0.75 M. The Charity is most grateful for the sterling efforts made by its organising committees and generous donations of time and money by Brethren. Legacies are by nature variable, and income from this source for the current year of £1.05 M was 63% higher than the prior year.

Expenditure of £8.74 M was 67% higher than the prior year. Masonic Grant expenditure of £5.84 M included a grant of £2.21 M to the RMBICC to support publically-funded masonic residents in its care homes. Excluding this amount, expenditure of £3.63 was 47% higher than the previous year. Charity grants expenditure of £0.90 M was 5% lower than prior year. Charitable support costs of £1.64 M were 18% higher than prior year, primarily due to the charity taking a higher share of the MCF administrative costs due to higher levels of activity.

Investment gains of £1.10 M were considerably lower than prior year (£9.67 M). The deficit for year transferred to reserves was £4.76 M (2016/17: surplus of £6.93 M).

Reserves Policy

Following the commencement of operations of the MCF in April 2016, all future festivals will be targeted to raise funds for this new charity, which has wide objects to direct grants to where support is most needed. As a result, incoming funds for the Charity will decline significantly to minimal levels over the next five years. The policy is to prioritise the payment of all grants that fall under the objectives of the Charity through the reserves of the Charity before drawing upon the resources of the MCF.

Consequently, it is planned that the Charity's reserves will eventually diminish to a minimal level and the occasional legacy, at which time the MCF will take over full responsibility for the continuation of the Charity's objects.

MASONIC SAMARITAN FUND

STRATEGIC REPORT

Investment Policy and Performance

The Charity manages its investments on a total return basis, with an overall objective of making a return of RPI plus 4% net of all expenses in the long term. The trustees accept that a high weighting of equity investments will be required in the portfolio asset allocation in order to meet this target return. Risk is managed through diversification, using a combination of investment management styles.

Investment returns were considerably lower than the previous year, having suffered from a significant stock market correction in the fourth quarter. Fulcrum provided significant resilience at this time, but has underperformed over the longer term. Performance by investment manager is shown in the following table:

Investment Manager	Fulcrum	Sarasin	Hargreave Hale
Fund at 31 st March 2018	£17.52 M	£19.12 M	£24.72 M
Investment approach	Absolute Return, Cautious	Thematic, 100% equities. Higher Risk	Balanced, equities and fixed interest

Plans for Future Periods

All future grant-making and support activities will be managed through the MCF, but those relating to the Charity's objects will be recharged back to it. With all new festivals being linked to the MCF, this will result in reserves being depleted over a period of time. The Charity will continue to receive income from its investments, which will extend the remaining lifetime of the Charity.

Key activities being planned for the future by the MCF on behalf of the Charity are provided in the annual report and accounts of the MCF.

MASONIC SAMARITAN FUND

STATEMENT OF TRUSTEES RESPONSIBILITIES

Statement of Responsibilities

The trustees, who are also the directors of the Charity for the purposes of company law, are responsible for preparing the trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (U.K. "GAAP").

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the income and expenditure of the Charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether United Kingdom accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure of Information to Auditors

Each of the trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditors are unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditors are aware of such information.

Auditors

A resolution proposing that Knox Cropper be reappointed as auditors will be put to the members.

Approval by Trustees

This report, including the strategic report, was approved by the trustees on 13th September 2018 and signed on their behalf by

Chairman, MCF

MASONIC SAMARITAN FUND

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBER OF THE MASONIC SAMARITAN FUND

Opinion

We have audited the financial statements of Masonic Samaritan Fund (the 'parent charity') and its subsidiary ('the group') for the year ended 31 March 2018 which comprise the Consolidated Statement of Financial Activities, the Consolidated and Parent Charity Balance Sheets, Consolidated Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charity's affairs as at 31 March 2018 and of the group's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or parent charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

MASONIC SAMARITAN FUND

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBER OF THE MASONIC SAMARITAN FUND

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which includes the directors' report and the strategic report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent charity and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent charity has not kept adequate and sufficient accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charity financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

MASONIC SAMARITAN FUND

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBER OF THE MASONIC SAMARITAN FUND

Responsibilities of Trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 12, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or parent charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditors/audit-assurance/auditor-s-responsibilities-for-the-audit-of-the-fi/description-of-the-auditor%E2%80%99s-responsibilities-for> . This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the charitable company's member in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken, so that we might state to the charitable company's member those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's member for our audit work, for this report or for the opinions we have formed.

The Charity meets the definition of a public benefit entity under FRS 102.

(b) Basis of preparation

The financial statements have been prepared on a going concern basis under the historical cost convention, as modified by the revaluation of investments, on a basis consistent with previous years. The functional currency of the Charity is considered to be Pounds Sterling because that is the currency of the primary economic environment in which the Charity operates.

These financial statements consolidate the results of the Charity and the Royal Masonic Samaritan Hospital Charity ("RMHC") over which it has significant control. The results have been consolidated on a line by line basis. A separate Statement of Financial Activities for the Charity itself is not presented because the Charity has taken advantage of the exemptions afforded by Section 408 of the Companies Act 2006.

(c) Going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The trustees have made this assessment in respect to a period of one year from the date of approval of these financial statements.

The trustees of the charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due.

(d) Incoming resources

Revenue is recognised when the significant risks and rewards of ownership have been transferred, the amount of revenue can be measured reliably, it is probable that future economic benefits will flow to the Charity and when the specific criteria relating to each of the Charity's revenue channels have been met, as described below:

- i. Monetary donations are brought into account when received.
- ii. Legacies are recognised where there has been a grant of probate, the executors have identified that there are sufficient assets in the estate after settlement of liabilities to pay the legacy and any conditions attached to the legacy are either in control of the Charity or have been met. Legacies subject to the interest of a life tenant are not recognised during the lifetime of the life tenant.
- iii. Dividends are recognised from the ex-dividend date when they become receivable.

(e) Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that settlement will be required and the amount of any obligation can be measured reliably. All resources expended are recognised on an accruals basis, with the exception of grants as noted below.

Expenditure on generating funds includes costs of fundraising and maintenance of festival and donor records, together with the management of the investment portfolios. These costs include the allocation of support costs relating to these activities.

Charitable activities are split between masonic activities and grants awarded to external institutions (designated as "non-Masonic" within the SOFA).

Masonic activities include the payment of grants directly to beneficiaries together with related welfare and support costs. Non-Masonic activities consist of the payment of grants to external institutions. Support costs are allocated to these activities on the bases laid out in note 6.

Grants are recognised as expenditure in the year in which the grant is formally approved by the Charity and has been communicated in writing to the recipient, except to the extent that it is subject to conditions that enable the Charity to revoke the award.

The provision for multi-year grants is recognised at its present value when settlement is due over more than one year from the date of the award, there are no unfulfilled performance conditions under the control of the Charity that would permit it to avoid making future payments, settlement is probable and the effect of discounting is material. The discount rate used is the long-term return of inflation plus 4 percent used as the target for the Charity's investment portfolio.

(f) Employee benefits

All staff are employed by the parent charity, The Masonic Charitable Foundation, and recharged to the Charity based upon the relative number of grants processed. Information relating to those employees is given in the accounts of the Masonic Charitable Foundation.

(g) Fund accounting

Unrestricted funds may be utilised for any purpose in accordance with the charitable objectives of the Charity.

(h) Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are stated at market value. All realised and unrealised gains and losses are recognised within the Statement of Financial Activities. Investments which the Charity holds for resale or pending their sale and cash or cash equivalents with a maturity date of less than one year, which are held for investment purposes, are disclosed as current asset investments.

(i) Financial assets and liabilities

The Charity has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments. Financial assets and liabilities are recognised when the Charity becomes a party to the contractual provisions of the instrument.

Financial assets and liabilities which qualify as basic financial instruments are initially recognised at the settlement amount after any trade discounts. They are subsequently valued at amortised cost and assessed for impairment at the end of each reporting period. Where settlement is not expected within 12 months of the balance sheet date, then the asset or liability is discounted using the long term return of inflation plus 4 percent used as the target for the Charity's investment portfolio. Basic financial instruments include debtors, cash and creditors within the balance sheet.

(k) Foreign currencies

Transactions denominated in foreign currencies are translated into Pounds Sterling at the exchange rates ruling at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated into Pounds Sterling at the rate ruling at the balance sheet date. All foreign exchange gains and losses, realised and unrealised, are recognised in the Statement of Financial Activities.

The Charity is unable to recover Value Added Tax (VAT) incurred on expenditure. The amount of VAT that cannot be recovered is included within the underlying cost to which it relates.
