Notes to the Abbreviated Accounts for the period ended 31 July 2012**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Other accounting policies**Going concern**

The accounts have been prepared on the assumption that the company is able to carry on business as a going concern, which the director considers appropriate having regard to the circumstances outlined below.

At the balance sheet date, the company's liabilities exceeded its assets. The company was in a development phase and was supported by loans from the director. Subsequent to the year end, the company began making sales and the director anticipates that the company will show accumulated profits in its next set of accounts. In light of this, the director considers it appropriate to prepare the accounts on a going concern basis
