The notes form part of these abbreviated accounts

1. ACCOUNTING POLICIES

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Going concern
The financial statements have been prepared on the going concern basis. The company is reliant on the support of the company's ultimate holding company, Wear Investments Limited. If this support was withdrawn the company would be unable to continue in operational existence. Adjustments would then have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for any further liabilities that may arise. The company is unable to quantify the effect of such adjustments on the financial statements. The directors believe that it is appropriate to prepare the financial statements on a going concern basis.

2. CALLED UP SHARE CAPITAL

Allotted, issued and fully paid:

Number:	Class:	Nominal value:	24.3.15 £	24.3.14 £

3. ULTIMATE PARENT COMPANY

The company regards Wear Investments Limited, a company incorporated in British Virgin Islands as its ultimate holding company, and Redbrick Investments Limited, a company incorporated in England and Wales as its parent company.
