NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 30TH JUNE 2016

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

The director is satisfied that the company has sufficient cash flows to continue to meet its liabilities as they fall due for at least one year from the date of approval of the financial statements, thus he continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Turnover

Turnover represents net rental income receivable in the year, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land and buildings see below

It is the company's practice to maintain the property in a continual state of sound repair and make improvements from time to time. In accordance with FRS15 - Tangible Fixed Assets an impairment review has been carried out on freehold buildings. It is considered that the net realisable value of the buildings exceeds their carrying amount such that depreciation would not be material. Any permanent diminution in the value of such properties will be charged to the profit and loss account.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
