The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31st July 2021.

The members have not required the company to obtain an audit of its financial statements for the year ended 31st July 2021 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The notes form part of these financial statements

**BOINGBOING RESILIENCE CIC (REGISTERED NUMBER: 07329058)**

**BALANCE SHEET - continued**  
**31ST JULY 2021**

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 13 April 2022 and were signed on its behalf by:

.....  
Professor A Hart - Director

The notes form part of these financial statements

## **BOINGBOING RESILIENCE CIC**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST JULY 2021**

#### **1. STATUTORY INFORMATION**

BoingBoing Resilience CIC is a private company, limited by guarantee, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

#### **2. ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

##### **Significant judgements and estimates**

No significant judgements have had to be made by the directors in preparing these financial statements.

##### **Turnover**

Turnover represents grants, training and consultancy fees received, net of discounts and Value Added Tax

The company recognises turnover when the amount of revenue can be reliably measured; it is probable that future economic benefits will flow to the entity; and specific criteria have been met.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

|                     |               |
|---------------------|---------------|
| Plant and machinery | - 20% on cost |
| Computer equipment  | - 33% on cost |

##### **Financial instruments**

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in profit or loss.

##### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

# BOINGBOING RESILIENCE CIC

## NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31ST JULY 2021

### 2. ACCOUNTING POLICIES - continued

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to surplus or deficit on a straight line basis over the period of the lease.

#### Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

#### Impairment of non-financial assets

At each reporting date non-financial assets not carried at fair value, like goodwill and plant, property and equipment, are reviewed to determine whether there is an indication that an asset may be impaired. If there is an indication of possible impairment, the recoverable amount of any asset or group of related assets, which is the higher of value in use and the fair value less cost to sell, is estimated and compared with its carrying amount. If the recoverable amount is lower, the carrying amount of the asset is reduced to its recoverable amount and an impairment loss is recognised immediately in profit or loss.

### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 9 (2020 - 7).

### 4. TANGIBLE FIXED ASSETS

Year Ending

31st July 2021

This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

**(N.B. A Filing Fee of £15 is payable on this document. Please enclose a cheque or postal order payable to Companies House)**

### PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

Boingboing Resilience CIC has continued to develop its training and consultation work in the 2020-21 financial year. We continue to work closely in collaboration with the Centre of Resilience for Social Justice at the University of Brighton and Blackpool Council alongside other organisations such as Victim Support and East Sussex County Council. During the 2020-21 financial year we secured funds to deliver on specific projects to support resilience building with socially excluded children and families, as well as co-training young people so that they can co-deliver our training with older trainers. We also sustained our commitment to developing young people's capacities in research methods. Boingboing Resilience CIC has benefitted the community in the following ways:

- 1). In total, 10 free to attend Resilience Forums were held online and these were attended by over 580 researchers, practitioners, parents, carers and young people to share and learn about resilience.
- 2). Over 50 lectures / seminars were delivered on resilience to various groups including teachers, practitioners, parents, researchers and young people.

*(If applicable, please just state "A social audit report covering these points is attached").*

*(Please continue on separate continuation sheet if necessary.)*

Boingboing Resilience CIC

**Company Number**

07329058

**Year Ending**

31st July 2021

### **PLEASE CLEARLY INDICATE THE PART YOU ARE CONTINUING HERE**

#### **PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT**

- 3). Our work in Blackpool where we are on a town-wide mission to change the way that adversity and particularly mental health issues amongst 10 to 16-year olds are perceived, avoided and responded to, continued. Working with Blackpool Council and as part of The National Lottery Community Fund HeadStart programme, implementing a 'Resilience Revolution', Boingboing supported the programme in building the resilience of the towns' young people. We also planned an International Resilience Revolution Conference in Blackpool and online but that was postponed to the 2021-22 financial year due to Covid-19.
- 4). Work on our 'Co-designing Resilience' project that was initiated to develop our Resilience Framework and to make it more interactive and interesting for young people has continued to progress. A number of schools in Blackpool are developing new ways to use the Framework.
- 5). We continued to employ young people from disadvantaged backgrounds to co-deliver training sessions with four new sessional workers recruited in the year. We also provided volunteering opportunities for other young people and disadvantaged adults to get involved with the work that we do.
- 6). Our links with international colleagues to develop our resilience work has progressed in the year including in Spain, Turkey and South Africa.
- 7). The Boingboing website continued to be a popular source of information with over 169,000 hits in the year ([www.boingboing.org.uk](http://www.boingboing.org.uk)). Free resources around resilience building and dealing with the Covid-19 pandemic were added to the website, leading to thousands of downloads during the year.
- 8). Our Twitter following grew to over 7,750 people. This Twitter following enabled our work to reach a large, global audience.

**PART 2 – CONSULTATION WITH STAKEHOLDERS** – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

At Boingboing Resilience CIC we work with the following stakeholder groups in the UK and overseas to develop new projects and undertake ones already commissioned including in Spain, Turkey and South Africa:

- \*Practitioners in the statutory, community and voluntary sectors
- \*Parents, carers and young people experiencing disadvantage
- \*Academics, university students and researchers
- \*Senior managers, policy developers and commissioners of social care and health services

The work of Boingboing is collaborative in nature, as we seek to establish relationships that span the knowledge base within practice, research and the lived experience. We also co-design, co-produce and co-deliver everything that we do.

Our continuing 'Co-designing Resilience' project that develops new resilience training materials is based on co-production. We work with various community groups including Arts Connect, schools in Blackpool and young people from Brighton and Blackpool. They have a leading voice in what should be developed and how the new training tools should look.

Our training and consultation offering continued to expand, based on the ongoing feedback that we receive. After each training session/lecture/seminar, feedback is obtained on the elements that worked and on the aspects that could be improved going forward. We then revise our training, lectures and seminars based on the feedback received. We also provide bespoke training sessions where we tailor our offering to the specific requirements of the audience. Our bi-monthly, whole team meetings for staff and volunteers have continued in 2020-21 and we held an away day with staff and volunteers to co-develop future visions for Boingboing and consolidate ongoing working policies and practices.

*(If applicable, please just state "A social audit report covering these points is attached").*

**PART 3 – DIRECTORS' REMUNERATION** – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes). If no remuneration was received you must state that "no remuneration was received" below.

Payment of £44,591.23 was made to S Dennis, Director in this financial year. There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed.

**PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION** – Please insert full details of any transfers of assets other than for full consideration e.g. Donations to outside bodies. If this does not apply you must state that "no transfer of assets other than for full consideration has been made" below.

Donations totalling £150,000 were made to Boingboing Foundation (an asset locked body)(Charity Number 1194676, Company number 13384036) in the 2020-21 financial year. (The objects of Boingboing Foundation are for the public benefit).

*(Please continue on separate continuation sheet if necessary.)*
