Notes to the abbreviated accounts

For the year ended 31 December 2012

1 Accounting policies

Accounting conventions

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Revenue recognition

Revenue is recognised as earned when, and to the extent that, the firm obtains the right to consideration in exchange for performance under these contracts. It is measured at the fair value of the right to consideration, which represents amounts chargeable to clients, including expenses and disbursements but excluding value added tax

Revenue is generally recognised as contract activity progresses so that for incomplete contracts it reflects the partial performance of the contractual obligations. For such contracts the amount of revenue reflects the accrual of the right to consideration by reference to the value of work performed. Revenue not billed to clients is included in debtors and payments on account in excess of the relevant amount of revenue are included in creditors

Fee income that is contingent on events outside the control of the firm is recognised when the contingent event occurs

Stock

Stock is stated at the lower of cost or net realisable value

Tangible fixed assets

The company has no fixed assets reported within the accounts

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date
