1.0 Directors Report

The directors submit their report for the period 02/02/2015 to 28/02/2016

1.1 Chair of the Board of Directors Report for Year Ending 28th February 2016

1.1.1 End of Year Results

This is the fifth year of operation of the Social Enterprise, which although founded in February 2011, did not start trading until October of that same year. The organisation has therefore only been trading for 52 months. In previous years report, I stated that I expected French Squared to move into profit, and this was achieved the previous reporting year. However, this year end the company made loss largely reattributed to the austerity measures introduced during the reporting year by our contracts commissioners. We look forward into the new financial year on ways to cut down cuts and still maintain the quality of our services.

1.1.2 Kidz Suite of Programmes

The Cool Kids Programme remain in operation this reporting year. Now have a network of Therapists from London alongside French Squared Therapists coordinating the programme. In the coming year, we look forward to in-house Therapists to run this programme.

The Kidz Club Short Break schemes continues to be popular, and the contract with Walsall for After School Clubs, Weekend Clubs, School Holiday Clubs and Sibling Clubs has been extended until the end of October 2016.

1.2 Directors Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements the directors are required to

- a Select suitable accounting policies and apply them consistently
- b Make judgements and estimates that are reasonable and prudent
- c State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- d Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose, with reasonable accuracy, at any time, the financial position of the company, and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the company, and hence, for taking reasonable steps for the prevention of fraud and other irregularities.

1.3 Results and Dividends

No dividend has been declared for the period being reported on. This is the second year that French Squared Social Enterprise CIC has operated at a profit, over the 4 years since incorporation.
