## Report to the directors on the preparation of the unaudited statutory financial statements of Markem Engineering Limited

Year ended 28 February 2017

As described on the statement of financial position, the Board of Directors of Markem Engineering Limited are responsible for the preparation of the financial statements for the year ended 28 February 2017, which comprise the income statement, statement of income and retained earnings, statement of financial position and related notes.

You consider that the company is exempt from an audit under the Companies Act 2006.

In accordance with your instructions I have compiled these unaudited financial statements in order to assist you to fulfil your statutory responsibilities, from the accounting records and from information and explanations supplied to me.

## Statement of Financial Position

28 February 2017

|                                                |      | 2017     | 2016     |
|------------------------------------------------|------|----------|----------|
|                                                | Note | £        | £        |
| FIXED ASSETS                                   |      |          |          |
| Tangible assets                                | 5    | 2,696    | 2,196    |
| CURRENT ASSETS                                 |      |          |          |
| Debtors                                        | 6    | 18,219   | 2,261    |
| Cash at bank and in hand                       |      | 29,667   | 49,721   |
|                                                |      | 47,886   | 51,982   |
| Creditors: amounts falling due within one year | 7    | (27,023) | (27,832) |
| Net current assets                             |      | 20,863   | 24,150   |
| Total assets less current liabilities          |      | 23,559   | 26,346   |
| Provision for liabilities                      |      | (539)    | (439)    |
| Net assets                                     |      | 23,020   | 25,907   |
| CAPITAL AND RESERVES                           |      |          |          |
| Called up share capital                        |      | 20       | 20       |
| Profit and loss account                        |      | 23,000   | 25,887   |
| Shareholders funds                             |      | 23,020   | 25,907   |

For the year ending 28 February 2017, the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

### Directors responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime.

In accordance with Section 444 of the Companies Act 2006, the income statement has not been delivered.

These financial statements were approved by the board of directors and authorised for issue on 13 June 2017 , and are signed on behalf of the board by:

M Curran

Director

## Notes to the Financial Statements

Year ended 28 February 2017

### 1 GENERAL INFORMATION

The company is a private company limited by shares and is registered in England and Wales. The address of the registered office is 4 North Green, Staindrop, Darlington, County Durham, DL2 3JN, United Kingdom.

### 2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102 Section 1A, 'The Financial Reporting Standard applicable to the UK and Republic of Ireland'.

### 3 ACCOUNTING POLICIES

#### BASIS OF PREPARATION

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain assets.

The financial statements are prepared in sterling, which is the functional currency of the company.

#### TURNOVER

Turnover is measured at the fair value of the consideration received or receivable for goods supplied, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on despatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

#### CURRENT TAX

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

#### TANGIBLE ASSETS

Tangible assets are initially measured at cost, and are subsequently measured at cost less any accumulated depreciation and accumulated impairment losses or at a revalued amount.

Any tangible assets carried at a revalued amount are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation is recognised in other comprehensive income and accumulated in capital and reserves. However, the increase is recognised in profit or loss to the extent that it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves. If a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess is recognised in profit or loss.

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

|                  |                            |
|------------------|----------------------------|
| Office equipment | 25% reducing balance basis |
|------------------|----------------------------|

## IMPAIRMENT

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

## FINANCIAL INSTRUMENTS

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price and are subsequently measured as follows: Debt instruments are subsequently measured at amortised cost and commitments to receive a loan and to make a loan to another entity are subsequently measured at amortised cost. Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

All other financial instruments, including derivatives, are initially recognised at fair value, which is normally the transaction price and are subsequently measured at fair value, with any changes recognised in profit or loss.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

All equity instruments regardless of significance, and other financial assets that are individually significant, are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

## DEFERRED TAX

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is more likely than not that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured on an undiscounted basis at the tax rates that would apply in the periods in which timing differences are expected to reverse, based on tax rates and laws enacted at the statement of financial position date.

## PROVISION FOR LIABILITIES

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event; it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense.

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised in finance costs in profit or loss in the period it arises.

## 4 AVERAGE NUMBER OF EMPLOYEES

## 5 TANGIBLE ASSETS

|                 | Plant and<br>machinery etc. |
|-----------------|-----------------------------|
|                 | £                           |
| COST            |                             |
| At 1 March 2016 | 5,825                       |
| Additions       | 1,398                       |

|                     |       |
|---------------------|-------|
| At 28 February 2017 | 7,223 |
| DEPRECIATION        |       |
| At 1 March 2016     | 3,629 |
| Charge              | 898   |
| At 28 February 2017 | 4,527 |

#### CARRYING AMOUNT

|                     |       |
|---------------------|-------|
| At 28 February 2017 | 2,696 |
| At 29 February 2016 | 2,196 |

#### 6 DEBTORS

|               | 2017   | 2016  |
|---------------|--------|-------|
|               | £      | £     |
| Trade debtors | 18,219 | 2,261 |

#### 7 CREDITORS: AMOUNTS FALLING DUE WITHIN ONE YEAR

|                              | 2017   | 2016   |
|------------------------------|--------|--------|
|                              | £      | £      |
| Trade creditors              | 740    | 740    |
| Taxation and social security | 25,152 | 26,547 |
| Other creditors              | 1,131  | 545    |
|                              | 27,023 | 27,832 |
