The notes on pages 3 to 5 form part of these financial statements.

1. General Information

Resource Guru Limited is a private company, limited by shares, incorporated in England & Wales, the registered number is 07622607 . The registered office is 86-90 Paul Street, London, England, EC2A 4NE.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

2.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of value added taxes. Turnover includes revenue earned from the provision of services and is recogonised at the point of invoice. If the provision of services spans the financial year end, it is measured by reviewing the actual services performed against the total services to be provided and is only recognised if it can be estimated reliably.

2.3. Intangible Fixed Assets and Amortisation - Intellectual Property

Intellectual property assets are amortised to the profit and loss account over its estimated economic life of 3 years.

2.4. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures and fittings	20% straight line
Computer equipment	25% reducing balance method

2.5. Financial Instruments

Debtors and creditors which are due within one year are recorded at transaction price, less any impairment.

2.6. Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

2.7. Taxation

The taxation expense represents the sum of the tax currently payable and deferred tax. Current or deferred tax for the year is recognised in profit or loss, except when they related to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax is also recognised in other comprehensive income or directly in equity respectively.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the profit and loss account because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

...CONTINUED

2.7. **Taxation - continued**

Deferred tax has not been recognised as it is not material to the financial statements. The directors will review this annually.

2.8. **Pensions**

The company operates a defined pension contribution scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.
