Notes to the abbreviated accounts

1 Accounting policies

The financial statements have been prepared under the historic cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

Turnover

Turnover should represent the rentals charged on the company's properties, excluding value added tax. It should arise wholly from the company's principal activity and all supplies should be made in the United Kingdom

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost, together with any incidental costs of acquisition

Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight-line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are

Freehold and long leasehold buildings	30 to 40 years or over life of lease if less
Plant and machinery	10 years
Fixtures and fittings	4 to 10 years
Employees	

The company had no employees in this period, or the previous one
