FOR THE PERIOD 18 NOVEMBER 2011 TO 30 JUNE 2012**

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Preparation of consolidated financial statements

The financial statements contain information about T & T Investments Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

Investment property

In accordance with the Financial Reporting Standard for Smaller Entities, no depreciation is provided in respect of investment properties. This is a departure from the requirements of the Companies Act 2006, which requires that all properties are to be depreciated. These properties are held for investment purposes only and the directors consider that to depreciate them would not give a true and fair view. Depreciation is only one of many factors reflected in the valuation of these properties and accordingly the amount of depreciation that might otherwise have been charged cannot be separately identified or quantified. The directors consider that this policy results in the financial statements giving a true and fair view.
