Objectives and Activities

The objects are set out in the Memorandum of Association are:

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Society's aims and objectives and in planning future activities.

Achievements and Performance

The charitable company has continued to generate significant donation income in order to start supporting activities which are appropriate to the objects as set out above. This was largely done through fundraising at a Garden Party in June 2015.

During the year the Trustees considered applications for grants and the criteria that might apply. It was agreed that decision making should take into account the following aspects: the prevention of crime/rehabilitation of offenders and the promotion of good citizenship in the County of Dorset. Any awards are made at the discretion of the Trustees.

During 2015/16 £1,450 was paid to Life Education Wessex and £1,300 was paid as Student Awards to 5 individuals.

Voluntary income of £8,138 (2015 £2,500) was raised in the year and £3,447 (2015 £4,353) spent on charitable activities, including grants of £2,750 (2015 £3,500) and other costs of £697 (£2015 £853).

The net surplus was £4,691 and the balance of Unrestricted Funds as at 31st March 2016 was £23,961.

The Trustees are aiming to build reserves to a level which is sufficient to cover 6 months annual expenditure.

THE DORSET SHRIEVAL CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2016

1 Accounting policies

Basis of preparation

The financial statements have been prepared to give a true and fair view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has been withdrawn.

The accounts (financial statements) have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16/07/14, the Financial Reporting Standard for Smaller Entities (FRSSE), and the Charities Act 2011 and applicable regulations.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Fund accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Further details of each fund are disclosed in note 11.

Incoming resources

Donations are recognised where there is entitlement, it is probable that the income will be received and the amount can be measured reliably.

Incoming resources from tax reclaims are included in the statement of financial activities at the same time as the gift to which they relate.

Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments made to third parties in the furtherance of the charitable objectives. Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specific service or output.

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.
