FOR THE YEAR ENDED 31 MARCH 2018

The trustees present their report and accounts for the year to 31 March 2018 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes. The accounts comply with the Charities Act 2011, the Companies Act 2006, the charitable company's articles of association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) published on 16 July 2014 (as amended by Update Bulletin 1 published on 2 February 2016).

Objectives and activities for the public benefit

The objects set out in the articles of association are:

- To promote for the benefit of the public in the bailiwick of Dorset, in partnership with the Dorset police, the protection of people and property from, and the prevention of, criminal acts, in particular, but not exclusively, by the provision of a transport and refuge service for people who are vulnerable as a result of being intoxicated, injured, lost or unable to get home after social events.
- To promote social inclusion for the public benefit by working with people in the bailiwick of Dorset who are socially excluded on the grounds in particular, but not exclusively, of their unemployment; financial hardship; substance abuse or dependency including alcohol and drugs; poor educational or skills attainment; relationship and family breakdown; or who are within, or have experienced, the public care or penal system or due to crime (either as a victim of crime or as an offender rehabilitating into society) and to relieve the needs of such people and assist them to integrate into society by:
 - providing them with an opportunity to build capacity by establishing and growing training programs via local service providers; and
 - providing social and recreational facilities and events involving the local community.
- To advance in life and relieve needs of young people, in particular those who have need by reason of their youth, age, poverty or social and economic circumstances, through providing support and recreational and leisure time activities which develop their skills, capacities and capabilities with a view to improving the conditions of life of such persons and enable them to participate in society as mature and responsible individuals.

The trustees confirm they have given careful consideration to the Charity Commission's general guidance on public benefit when reviewing the charitable company's aims and objectives and in planning future activities.

Achievements and performance

The charitable company has continued to support activities appropriate to its objects set out above, funded via donations received in previous years. The trustees consider applications for grants and the criteria that might apply. Any awards are made at the discretion of the trustees.

During the year donations of £3,457 were made to institutions.

Financial review

Income of £5,783 was received in the year (2017:- £0.00), and £3,794 (2017:- £6,435) was spent on charitable activities, comprising grants of £3,157 (2017:- £5,810) and governance costs of £637 (2017:- £625). Net income for the year was therefore £1,989, compared with net expenditure of £6,435 in the prior year.

At 31 March 2018 reserves amounted to £19,515. The trustees consider it is appropriate to hold sufficient reserves to cover a minimum six months' annual expenditure. Whilst reserves at 31 March 2018 are substantially higher than this, the trustees do not consider the level of unrestricted funds to be excessive.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2018

1 Accounting policies

(a) Basis of preparation

The Dorset Shrieval Charitable Trust is a private company limited by guarantee and has no share capital. In the event of the company being wound up members are required to contribute an amount not exceeding £10. The charitable company constitutes a public benefit entity as defined by FRS 102.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated through Update Bulletin 1 published on 2 February 2016), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015. In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 a restatement of comparative items was needed. No restatements were required.

The charitable company has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The accounts are prepared on a going concern basis under the historical cost convention. The accounts are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these accounts are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Income

All income is recognised once the charitable company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charitable company has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charitable company is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

(c) Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charitable company to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. Irrecoverable VAT is included in the costs of those items to which it relates.

Grants and awards are payments made to third parties in the furtherance of the charitable objectives. Where the charitable company gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the statement of financial activities once the recipient of the grant has provided the specific service or output.

Grants and awards payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charitable company.

Provisions for grants and awards are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.
