The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The accounts have been prepared and delivered in accordance with the special provisions applicable to companies subject to the small companies regime. The profit and loss account has not been delivered to the Registrar of Companies.

N. C. Wiggins

Director

Approved by the board on 24 October 2023

Langbourn Properties (FH4547SS) Limited

Notes to the Accounts

for the year ended 30 June 2023

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

Turnover

Turnover represents the value, net of value added tax, of gross rents receivable under operating leases on the property, and is recognisable as it falls due.

Investments

Investment properties, including freehold and leasehold properties, are valued by the directors on a fair value basis. Any surplus or deficit arising is transferred to the revaluation reserve, unless a deficit is expected to be permanent, in which case it is charged to the profit and loss account.

In accordance with SSAP19, no depreciation or amortisation is provided in respect of freehold or leasehold properties having more than 20 years unexpired. This departure from the requirements of the Companies Act 2006, for all properties to be depreciated, is, in the opinion of the Directors, necessary for the financial statements to give a true and fair view in accordance with applicable accounting standards, as properties are included in the financial statements at their open market value.

The effect of depreciation and amortisation on value is already reflected annually in the valuation of properties, and the amount attributed to this factor by the valuers cannot reasonably be separately identified or quantified. Had the provisions of the Act been followed, net assets would not have been affected but revenue profits would have been reduced for this and earlier years.
