1 Accounting Policies

Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Operating lease rentals

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Finance lease and hire purchase charges

The finance element of the rental payment is charged to the profit and loss account on a method giving a constant rate of return on the balance outstanding.

Dividends

Proposed dividends are only included as liabilities in the financial statements when their payment has been approved by the shareholders prior to the balance sheet date.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Assets on finance lease and hire purchase

Assets held under finance lease or hire purchase contracts i.e. those contracts where substantially all the risks and rewards of ownership have passed to the company, are included in the appropriate category of tangible fixed assets and depreciated over the shorter of the lease term and their estimated expected useful lives.

Future obligations under such contracts are included in creditors net of the finance charge allocated to future periods.
