**Turnover**
Turnover represents net invoiced sales of goods, excluding value added tax.

**Goodwill**
Goodwill, being the amount paid in connection with the acquisition of a business in 2012, is being amortised evenly over its estimated useful life of five years.

**Tangible fixed assets**
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| | |
|---|---|
| Computer equipment | - 33% on cost |

**Stocks**
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Deferred tax**
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

**Foreign currencies**
Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

**Hire purchase and leasing commitments**
Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

**Pension costs and other post-retirement benefits**
The company does not operate a pension scheme. Contributions payable are made to independently administered funds on behalf of employees and are charged to the profit and loss account in the period to which they relate.
