The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2015.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2015 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

(a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and

(b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the Board of Directors on 4 November 2015 and were signed on its behalf by:

B O'Neill - Director

The notes form part of these abbreviated accounts

1. ACCOUNTING POLICIES

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Exemption from preparing a cash flow statement
Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Research and development
Expenditure on the research phase of an internal project is recognised as an expense in the period in which it is incurred. Development costs incurred on specific projects are capitalised when all the following conditions are satisfied:

Completion of the asset is technically feasible so that it will be available for use or sale
The company intends to complete the asset and use or sell it
The company has the ability to use or sell the asset and the asset will generate probable future economic benefits (over and above cost)
There are adequate technical, financial and other resources to complete the development and to use or sell the asset, and
The expenditure attributable to the asset during its development can be measured reliably.

Development costs not meeting the criteria for capitalisation are expensed as incurred. The cost of an internally generated asset comprises all directly attributable costs necessary to create, produce and prepare the asset to be capable of operating in the manner intended by management. Directly attributable costs include employee costs incurred along with third party costs.

Careful judgement by the directors is applied when deciding whether the recognition requirements for development costs have been met. Judgements are based on the information available at each balance sheet date. In addition, all internal activities related to the research and development of new projects are continuously monitored by the directors.

Intangible assets
Intangible assets consist of computer software amortised over 3 years.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc	- 33% on cost

Foreign currencies
Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.
