**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

1. STATUTORY INFORMATION

UK Country Estates Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

3. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis, which assumes the company will continue in operational existence for the foreseeable future.

During the year the company met its working capital requirements through continued financial support received from two group companies.

These companies have agreed to continue to provide such financial support as is necessary to enable UK Country Estates Limited to meet its liabilities as they fall due and to carry on its business without any significant curtailment of operations for the 12 months following the approval of these accounts.

INCOME RECOGNITION

Income is recognised on the following basis:

- (a) agricultural produce is invoiced when the produce is delivered to the customer;
- (b) shoot income is invoiced at the point of supply of the service;
- (c) any other income is invoiced at the point of supply of the goods or services.

TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 4% on cost
Plant and machinery	- 15-25% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Motor vehicles	- 25% on reducing balance

3. ACCOUNTING POLICIES - continued

STOCKS

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Stock is held at valuation prepared in accordance with the conventions set out in the CAAV/RICS stocktaking guidance note.

The valuation was prepared in accordance with Inland Revenue Guidance Notes, BEN 19, amended in accordance with ICAEW guidance on Single Farm Payment treatment for accounting purposes.

Cultivations have been valued on a standard costs basis, using CAAV Guide to Costings and supporting working papers.

Consumable stocks of seed, fertiliser, spray, fuel and sundry stores are valued at invoice price or market value if lower.

Crops in store have been valued on a "deemed" cost basis which has been calculated at 75% of the average sale value.

Growing crops have been valued on a cost of production basis to year end.

TAXATION

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

DEFERRED TAX

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

FOREIGN CURRENCIES

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

HIRE PURCHASE AND LEASING COMMITMENTS

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

PENSION COSTS AND OTHER POST-RETIREMENT BENEFITS

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.
